The essentials of imaging

KONICA MINOLTA

bizhub C31P

Economy and speed in colour and b/w

Office system bizhub C31P

The image shows a woman in a white top and dark pants standing in an office, holding a stack of papers. She is positioned next to a light-colored wooden desk where a Konica Minolta bizhub C31P printer is placed. In the background, there is another desk with a computer monitor and a blue office chair. The office has a modern, clean aesthetic with white walls and large windows. The text 'The essentials of imaging' is in the top right, and the Konica Minolta logo is in the top left. The product name 'bizhub C31P' is prominently displayed in the center, with a blue swoosh graphic behind it. Below the name is the tagline 'Economy and speed in colour and b/w'. At the bottom right, it says 'Office system bizhub C31P'.

Manual abstract:

n Power is the key. With 35 prints per minute in colour and b/w, latest Emperon controller technology and comprehensive compatibility for easy network integration, the bizhub C31P provides fast job processing and an impressive print performance. n Quality is essential. Thanks to high-definition Simitri®HD toner, the bizhub C31P produces an outstanding image quality, no matter whether prints are in colour or black and white. An added bonus, this toner is surprisingly economic in use and kind to the environment, too. n Convenience is important. With a range of standard PageScope software tools including PS Data Administrator and PS NetCare user accounts, access rights and the bizhub C31P are efficiently managed via the network. The stylish InfoLine design makes operation simple and enjoyable and this printer an attractive feature in any office. Configurations Affordable quality, enhanced productivity Impressive speed and easy handling The bizhub C31P delivers perfect prints in an instant and handles heavy workloads with ease. With its high speed of 35 colour or b/w prints per minute and its stylishly modern InfoLine design, the bizhub C31P perfectly complements Konica Minolta's latest-generation bizhub product range. Operation is simple and intuitive via its clearly structured display. @@@@1,024 MB). @@@@Mono 14 sec. Warm-up time Approx.

@@@@@The stated life expectancy of each consumable is based on specific operating conditions such as page coverage for a particular page size (5 % coverage of A4). The actual consumables life will vary depending on the use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity. Some of the product illustrations contain optional accessories. Specifications and accessories are based on the information available at the time of printing, and are subject to change without notice. Konica Minolta does not warrant that any prices or specifications mentioned will be error-free.
