The essentials of imaging

magicolor 4690MF **magicolor 4695MF**

Next generation A4 **all-in-one** colour laser printers

The magicolor 4690MF and magicolor 4695MF are top of the range colour all-in-ones that combine efficient copying, printing, faxing, scanning and email functions in a single system, eliminating the need for costly and bulky multiple devices. With high-speed technology, a smart and sturdy design and a standard duplexer for double-sided printing plus Automatic Duplex Document Feeder (ADDF) they are the perfect economical and efficient all-in-ones for any busy office or single user.

- **Efficient copying, scanning and faxing** – the magicolor 4690MF and 4695MF are equipped with a high-speed network connection allowing you to easily connect them to your network and enjoy the benefits of fast uploading and downloading. With the built-in ADDF and the ECM/Super G3 capability you can send and receive even complex documents at high speed. In addition, the fast and flexible scanners are capable of scanning up to 24 originals per minute with enhanced network scan functions such as Scan-to-email, Scan-to-FTP and Scan-to-SMB.
- **Increased printing versatility and convenience** – the magicolor 4690MF/4695MF are real office workhorses with a duty cycle of 120,000 pages per month. The magicolor 4695MF model offers PCL6 and PostScript®3 capabilities and can be optionally upgraded to Windows XPS standard. A direct USB-printing option is available so you can print without using a computer.
- **Impressive quality** – Simbi® HD toner produces consistently high quality prints with an enhanced fine contour resolution of 2,400 x 600 dpi for the magicolor 4690MF, and PhotoART-9600™ (800 x 600 x 4 bit) for the magicolor 4695MF, producing unparalleled image quality.
- **Economical printing** – The high-yield Simbi® HD toner cartridges keep the cost per copy low and the Auto Colour Recognition ensures colour toner is only used where actually required. An efficient performance is also ensured with the Toner Save Mode, which will help save up to 50% toner when printing drafts or internal documents.
