The essentials of imaging

PagePro 1350E PagePro 1350EN

Your compact and flexible laser printer

For a personal laser printer such as the PagePro 1350E or a networked workgroup printer like the PagePro 1350EN, a few fundamentals are paramount – speed, compatibility, reliability, ease of operation and high print quality. Both the PagePro 1350E and PagePro 1350EN offer all these must-haves in one compact and durable unit. Their superb power ensures full compatibility with a broad range of enterprise applications as well as perfect integration into your small business, mid-sized company or workgroup.

➔ Powerful and highly efficient

Power is the word that sums up the qualities of the PagePro 1350E and the PagePro 1350EN. Businesses using a variety of software applications will find the PagePro 1350E/EN the untested printers of choice thanks to their PCL6 and PCL5e industry-standard emulation. Superb power is also derived from the productive speed of 20ppm, and the 200 MHz processor coupled with 32 MB of memory on the PagePro 1350EN, and 16 MB on the PagePro 1350E. This greatly speeds up your print jobs, ensuring rapid page-processing especially of complex documents. Thanks to the 250-sheet paper feeder the paper capacity is sufficient to complete also larger print runs without frequent interruptions to add paper. An integrated network interface is standard on the PagePro 1350EN, giving you and everyone else in the office easy printer access.

or office both time and money. Both are ready to go straight out of the box and feature a robust design with which they are virtually maintenance-free. Their low toner consumption makes the PagePro 1350E and PagePro 1350EN your perfect low-cost printing solutions for everyday use. Their high-capacity toner cartridges seem to last almost forever, but when finally necessary, are quick and easy to replace.

➔ Two versatile printing partners

Both the PagePro 1350E and PagePro 1350EN are perfectly suited to produce your letters, reports, memos and even envelopes, transparencies and postcards quickly and efficiently. Prints are clean, crisp and professional, not least thanks to the excellent 1,200 x 1,200 dpi print resolution. First sheet printout is just 13 seconds after sending the job to print. The PagePro 1350E and PagePro 1350EN put convenience, quality and professionalism at the fingertips of everyone in your team.

➔ User-friendly and cost-effective

You will find the PagePro 1350E and PagePro 1350EN simple to use and cost-effective to run, saving your team
