Manual abstract:

© SAVINGS RELIABILITY ENVIRONMENT Up to 30 pages per minute in A4 1,200 dpi printing quality Standard duplex functionality for double-sided printing Standard USB Connectivity 250-sheet universal paper cassette 50-sheet multi-purpose tray Easy to read LED Operation Panel FS-1120D MONOCHROME DESK TOP PRINTER FOR A4 FORMAT PRESCRIBE IIe With the KYOCERA page design and control language PRESCRIBE IIe, even complex graphics, logos and forms (multipart forms) can be created independently on the system and saved and updated in the printer. Consequently, accessed as required and therefore relieve the load on the network. The KM NetViewer The KM NetViewer enables complete monitoring and control of all ECOSYS printers and digital KYOCERA multifunction units from any Windows® PC and thus provides ideal network administration. It also supports the standardised SNMP protocol. Status Monitor and Command Center The Status Monitor shows the current printers condition and gives direct access to the Command Center for the blocking of the control panel). ECOSYS stands for ECOlogy, ECONomy and SYStemprinting. With their long-life components, ECOSYS devices are designed to maximise durability and minimise the total cost of ownership with regard to maintenance, administration and consumables.
