Manual abstract:

Add optional print (TASKalfa 180/220), scan and fax functions for even greater flexibility or an additional paper cassette to keep the work flowing on larger jobs. Alternatively, choose the optional duplex unit for double-sided printing to reduce your paper costs and make these economical multifunctionals even more efficient and environmentally conscious. Whatever your needs, the flexibility, compact design and user-friendly operation of the TASKalfa 181, 220, 181 and 221 make them the right choice for your office. **EFFICIENCY FOR YOUR OFFICE** Excellent functionality, reliability and productivity all in a stylish new design: that sums up KYOCERA's new TASKalfa range. The exceptional reliability of KYOCERA's long-life components forms the basis for this range of office devices. From the bottom cassette grip all the way up to the convenient control panel, everything has been designed and optimised to provide maximum functionality. TASKalfa 180/220 & 181/221 **HIGHLIGHTS:** Up to 18/22ppm A4 and 8/10ppm A3 Time to first copy: 5.7 seconds or less Standard network print function (TASKalfa181/221) Optional GDI print function (TASKalfa 180/220) Optional duplex unit for cost-saving double-sided printing Optional 50-sheet reversing document processor for effortless copying, scanning and faxing 600 dpi laser technology with 256 greyscale copying for crisp text and realistic photos TASKalfa 180/220/181: 350-sheet, standard paper capacity (expandable to 1,250 sheets) TASKalfa 221: 650-sheet standard paper capacity (expandable to 1,250 sheets) standard paper capacity (expandable to 1,300 sheets) Long-life components for exceptional efficiency and reliability **READY TO GROW WITH YOUR INDIVIDUAL NEEDS** These highly efficient multifunctional devices are a great help in day-to-day office routines. Their durable components guarantee efficient, reliable operations. And with options such as additional paper cassettes, a document processor for double-sided input, a job separator or an internal finisher that staples up to 30 sheets, they can be tailored to your company's specific needs.

Base version One or two 300-sheet cassettes and a 50-sheet multi-purpose tray provide a generous paper reserve. Extended base functionality The optional document processor DP-420 automatically reverses paper for easy double-sided scanning and copying. Base configuration TASKalfa 180/220/181 with platen cover (E) Base configuration TASKalfa 221 with platen cover (E) TASKalfa 221 with DP-420 High capacity Two or three (model-dependent) additional 300-sheet paper cassettes enable fast, convenient access to multiple paper types. @@@@18/8 pages per minute A4/A3 TASKalfa 220/221: Max. @@@@0.
