Seagate is the world's largest manufacturer of disc drives.

3.5-inch Pushbutton Backup External Hard Drives

Live large, store small.

These drives are beautifully engineered, inside and out, with state-of-the-art features and work-of-art design. They're exceptionally durable, conveniently portable and perfectly stackable.

- Never worry about losing important files. These drives will safeguard your valuable data for years to come.
- Sleek and elegant structure actually dissipates heat, so they run much cooler than any other external drives.
- Hot-swappable, so you can connect and disconnect without turning off your computer. And you have the versatility of connecting via USB 2.0 or FireWire.
- Advanced software lets you retrieve files fast.
- Available in an extensive range of capacities, to meet your specific storage needs.
- Compatible with PC and Mac.
