Maxtor

Maxtor OneTouch™ II

EXTERNAL HARD DRIVE

100GB 200GB 250GB 300GB 500GB

Simple backup and storage with Maxtor DriveLock™ for added security

Maxtor pioneered the revolutionary "pushbutton" approach to data backup, and stays in the forefront with the new Maxtor OneTouch II external hard drive, which offers the Maxtor DriveLock™ feature for added data protection along with enhanced backup capabilities and a simplified user interface.

The Maxtor OneTouch II drive provides up to 500GB of easy add-on storage that's perfect for beginners and experts alike, in the office or at home. Connectivity is a snap using USB or FireWire® ports, and the included new Dantz® Retrospect® Express HD backup software gives users the power to roll back their system to a healthy state after a system problem, easily retrieve deleted files, and recover individual files or an entire hard drive.*

HIGHLIGHTS
