**TAKE CONTROL OF THE ROAD AND YOUR LIFE.**

It's more than a sharp new look, it's a whole new take, introducing the redesigned Outlander with an upgraded level of interior comfort and advanced technological features to give you control over every element of your drive. That's what makes Outlander different for a reason.

Safety features you can count on. The National Highway Traffic Safety Administration has given the 2010 Outlander a five-star Crash Safety Rating in frontal and side-impact tests for both driver and passenger\* -a testament to Mitsubishi Motors' engineering and commitment to safety.
