**Manual abstract:**

And it's here where Colt is completely at home. Here its unique style can be fully appreciated and its compact size means it literally fits in. Yet its responsive engines and agile handling make it easy to leave everything behind and explore life far away from the city. These abilities are shared by all members of the Colt family: the coupe-like Colt 3-door, the adaptable Colt 5-door and the high-performing Colt Ralliart with the power to match its dynamic appearance. As well as its striking exterior and strong performance, Colt also has a practical side. It has one of the most spacious interiors in the segment, making it as comfortable and safe to be in as it is great to look at and drive. "I'm proud of my Colt. It's stylish, distinctive and sporty full of character!" 45 MAKING HEADS TURN Colt is the small car with an extra large amount of style, drawing attention for all the right reasons. From the distinctive, powerful-looking face to the sculptured rear lights it is unmistakably a Mitsubishi, with a style all of its own. Even when you are in a crowd it is possible to stand out from it. That is why Colt proudly features a grille inspired by a jet fighter. Its athletic form reflects the driving experience it offers, while its individual character perfectly reflects your own desire to be different. You can appreciate Colt from a distance or up close. The nearer you get, the more you will discover to surprise you such as the Colt CZ2's 16" alloy wheels with stylish three-dimensional design that enhance its sporting appearance. Often the delight is in the details, like the sculptured rear lights that cleverly wrap around the curves at the back of Colt, integrating seamlessly into the overall shape. 67 COMFORTABLY IN CONTROL The interior of Colt has a style as fresh as the exterior, creating an ambience that is enhanced by carefully selected colours and forms, as well as attractive silver accents. And the leather steering wheel\* and shift knob\* feel as good as they look. @@@@The range of efficient engines provides vigorous performance that you can enjoy. Matched to the slender dimensions and agile handling of Colt, they allow you to take any route you choose. Whichever engine you select, its power and flexibility will mean that journeys, long or short, never feel like hard work. The smooth handling of Colt makes corners a pleasure, whether on urban streets or your favourite open road. Complementing the punchy engines and cornering abilities are strong brakes that you can always have confidence in. 100 80 HEART OF AN URBAN ATHLETE For great economy with a surprising turn of speed, the efficient, lightweight 1.1 with 74bhp is the ideal choice. The 1.3-litre engine develops 94bhp; their ample power and torque makes driving an invigorating experience. And the 1.5 turbo of the Colt Ralliart delivers true sporting feel, offering rapid acceleration and superb responsiveness on all types of road. 55kW/6000rpm 1.3 1.

1 60 40 20 0 160 140 120 125Nm/4000rpm Torque (Nm) 100 80 100Nm/4000rpm 60 40 20 0 1.3 1.1 1000 2000 3000 4000 5000 6000 7000 Engine Speed (rpm) 1.1 and 1.3 litre MPI 10 11 Output (kW) 70kW/6000rpm OUR RESPONSIBILITY At Mitsubishi Motors we believe everyone can contribute to a cleaner environment, including us. Thanks to its compact size and use of the latest technology Colt is highly fuel efficient and produces low CO2 emissions. Additionally, every Colt features a Gear Shift Indicator (GSI) that shows the driver how to adapt to the most fuel efficient style of driving, further lowering the CO2 emissions produced in everyday conditions. We also use carefully selected materials that can be recycled efficiently Concern for the environment is one reason we have always built vehicles that last for many years, even in the harshest of conditions and why we are working on ways to reduce yet further the impact created by the cars we produce. "I feel good knowing that I'm also contributing to a cleaner environment." 12 13 ROOM TO LIVE Just as Colt fits into city life perfectly, you and your life can easily fit into Colt.

Its spacious, flexible interior provides comfort you would expect from a vehicle that needs a much bigger parking spot. Up to five adults will find all the headroom and legroom they need to enjoy a comfortable ride. You will also find plenty of clever storage spaces for your valuables, sunglasses, drinks bottles or cans, and all those other items there never seem to be places for. That is why we have provided many smart storage areas in Colt: for example, the front doors have large pockets, and on most models the front seats have pockets in the rear. 14 15 ALL IN SAFE HANDS We have designed Colt to be as safe as it is stylish, so that you can enjoy your journey with calm reassurance.

That is why Colt is built around a strong, stiff RISE (Reinforced Impact Safety Evolution) body and is fully equipped to look after you and all your passengers. If needed, a full suite of up to six airbags front, side and curtain, depending on model will protect all inside from harm. At the rear, ISOFIX mounting points make the correct installation of a compatible childseat easy, giving even greater peace of mind. The range of active safety features helps you avoid accidents happening. These features include excellent braking performance combined with Brake Assist, ABS with Electronic Brake-force Distribution (EBD), Emergency Stop signal System (ESS) and on Colt Ralliart models, Mitsubishi's Active Stability and Traction Control (M-ASTC).

"I can relax too, knowing that both of us are kept safe by my Colt." M-ASTC The Colt Ralliart models' Active Stability and Traction Control (MASTC) system brakes individual wheels when any loss of grip or traction is detected, keeping the vehicle stable at all times. ABS WITH EBD Every Colt is fitted with ABS (Anti-lock Braking System) that is backed up by EBD (Electronic Brake-force Distribution). @@@@But it's not just about space. @@@@and enjoyment. @@@@2. 3. 4. 5. 6.

3 Manual/ 1.5 Turbo AMT Manual ----- ETACS ETACS, YOUR PERSONALISED ASSISTANT Mitsubishi Motors' customisable Electronic Total Automobile Control System (ETACS) allows you to personalise the operation of a wide range of features for added safety, comfort and convenience. Certain ETACS comfort functions can be customised by your Mitsubishi Motors dealer. KEYLESS ENTRY SYSTEM Makes it possible to lock and unlock the doors and trunk with the remote key. HEADLAMP DELAY FUNCTION To make sure you get home safely, Colt can guide you with its headlamp delay function.

It is even possible to set for how long the lights stay on. EMERGENCY STOP SIGNAL SYSTEM (ESS) When maximum pressure is applied to the brake pedal as it is in an emergency Colt automatically activates the hazard lights, warning following vehicles of the situation. SPEED COMPENSATION VOLUME FUNCTION This function automatically adjusts the volume of the audio system to compensate for changes in road speed and noise. 6 patterns of adjustment are available to match your preferences. INDICATOR WITH COMFORT MODE When the indicator lever is tapped briefly, the indicator will flash three times and then stop allowing you to concentrate on manoeuvring and therefore making driving easier and safer. SPEED SENSITIVE WIPERS When the front wiper is set to intermittent, a speed sensor changes the wiper interval to suit the car's speed for better visibility. OPEN DOOR ALARM If any door is still open while the car is moving, a buzzer will alert you (AMT only). For a complete list of ETACS functions, please consult your Mitsubishi Motors dealer or refer to your owner's manual. DIMENSIONAL VIEWS 3-door 1520 1460 1695 845 2500 3880 535 1445 5-door 1550 1460 1695 845 2500 3940 595 1445 All measurements in millimetres OUTSTANDING AFTER SALES FOR CAREFREE MOTORING MITSUBISHI SERVICE PLAN Buy a Mitsubishi Service Plan to cover the scheduled service cost for the first three services (Colt CZ1/CZ2 - 3 years / 37,500 miles, whichever occurs first; Colt Ralliart - initial oil change then 3 years / 30,000 miles, which ever occurs first). This will give you inflation proof prices and peace of mind.

The Mitsubishi Service Plan is transferable to a new owner and will enhance the resale value of your vehicle. Please ask your dealer for details. COMPREHENSIVE WARRANTY All new Mitsubishi Colts come with a comprehensive 3-year unlimited mileage warranty as standard. The anti-corrosion perforation warranty covers rusting through for the first 12 years. The reliability statistics for Mitsubishi vehicles are impressive, but in the unlikely event that you do need help, we offer MAP. MAP - FREE BREAKDOWN ASSISTANCE Throughout the warranty period your vehicle is covered by Mitsubishi Motors Assistance Package (MAP) roadside assistance. This cover extends to more than 30 countries throughout Europe so your mobility is guaranteed. Should you ever need assistance in the event of breakdown, accident, theft or vandalism wherever you are, 24 hours a day, 7 days a week just call the number on your card. If the problem cannot be fixed on the spot, your car will be taken to the nearest Mitsubishi Authorized Service Point and you'll be offered services such as a hotel, continuation of journey or a replacement car. MITSUBISHI MOTORS GENUINE PARTS Even the smallest technical faults can lead to accidents. Therefore, all Mitsubishi Motors Genuine Parts have been developed and tested to stringent quality standards. It is recommended to use Mitsubishi Motors Genuine Parts in order to maintain the safety and integrity of your vehicle and that of your passengers. Mitsubishi Motors Genuine Parts are available at all Mitsubishi Authorized Service Points. 1695 1695 MITSUBISHI MOTORS RECYCLING We all have a duty to protect the environment. After a long working life we will take back any Mitsubishi Motors vehicle originally sold by The Colt Car Company Ltd. and recycle it in an environmentally friendly manner in accordance with the EU Directive on End-of-Life Vehicles and any applicable national statutory provisions. @@@@Tel: 08452 414777.
