DIAMOND 249 | IMMERSIVE SOUND TV
Models: LT-46249 | LT-52249

LT-52249 shown on included base
Cabinet Color: Swan-Gladiolus Design
Accent: Diamond Blue Light

PERFORMANCE WITHOUT COMPROMISE

Mitsubishi Unisen™ envelops you in sound. It's the first premium flat panel TV with a Dolby® Digital 5.1 channel surround sound system designed right into the television - uniting superior picture with superior sound for a complete, enhanced sensory experience.

The all new Diamond 249 Series comes equipped with an 18 speaker, Integrated Sound Projector with Dual Driver Extended Range Sound so you can enjoy concert sound quality without the need for separate components; and for the first time ever, our Diamond line includes VUDU™ Integrated 1080p Video, so you can stream movies and TV shows from the internet for enjoyment on your TV.
