Manual abstract:

15.19(3). @@@@This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. Responsible Party Name: Motorola, Inc. Address: 8000 West Sunrise Boulevard Plantation, FL 33322 USA Phone Number: 1 (800) 453-0920 Hereby declares that the product: Product Name: i410 Model Number: H76XAH6JR7BN FCC-ID: IHDP56KR2 Conforms to the following regulations: FCC Part 15, subpart B, section 15.

107(a), 15.107(d) and section 15.109(a) FCC Notice to Users The following statement applies to all products that have received FCC approval. Applicable products bear the FCC logo, and/or an FCC ID in the format FCC-ID: IHDP56KR2 on the product label. Motorola has not approved any changes or modifications to this device by the user.

Any changes or modifications could void the user's authority to operate the equipment. See 47 CFR Sec. 15.21. Industry Canada Notice to Users Operation is subject to the following two conditions: (1) This device may not cause interference and (2) This device must accept any interference, including interference that may cause undesired operation of the device.
