The screenshot shows the top portion of a data sheet for the NETGEAR RangeMax™ Dual Band Wireless-N Gigabit Router (WNDR3700). The header includes the NETGEAR logo, the product name, and the model number. Below the header, there is a section titled "The power you want and flexibility you need for your network" which lists key features and benefits. To the left of this text is an image of the router. Below the main text, there are sections for "NETGEAR Green" and "The NETGEAR Difference". The "NETGEAR Green" section highlights energy-saving features. The "The NETGEAR Difference" section lists specific benefits of the WNDR3700 model. On the right side of the page, there are several performance and certification logos, including "300+300", "Dual Band", "GIGABIT", "ReadySHARE", and "INNOVATION". At the bottom left, there is a "24/7 TECHNICAL SUPPORT" logo, and at the bottom right, there is a "BEST OF INNOVATIONS 2009" award logo. Contact information for technical support is provided at the very bottom.
