## Caring for your carpets

On-board accessories on AX 410 make it easy to clean seat and wall coverings and hard-to-reach spots.

The Nilfisk no-boiler system means it takes less than a minute to switch from carpet extraction to hot floor cleaning mode (AX 65).

Dual vacuum motors are protected by an anti-foam chamber and easy access vacuum filters, which assure optimum air flow (BRX 700).

### Technical specifications

Description	Unit	AX 14	AX 310	AX 410	AX 651 Multi EDS	BRX 700 EDS
