**Manual abstract:**

*Not to say about Ecoflex, the new Nilfisk system, available in all the battery driven versions, which allows to keep a complete consumption control, but also guarantees the possibility to boost temporarily water, detergent and brush pressure for more aggressive cleaning tasks These, and the many other new and improved features, provide more productivity, more running time, more reliability, more ergonomoy, more options and more cost-effectiveness. Most importantly, it all adds up to a lower overall cost of cleaning. @@@@Green meets clean. Green Conserves water. The low-flow water, no detergent-mode is ideal for routine cleaning. @@Choose between 5 different levels. @@.*
