Manual abstract:

@@@This allows these ride-on models to clean just about anywhere. They go anywhere - easy rider! 3 Interchangeable brush decks allow you to design the machine to your needs. @@@A single battery charge can clean up to 9000 m² of floor space. @@@The water-detergent mixing ratio is always accurate, never guesswork. Plus, the mixing takes place at the scrub deck not in the tank, thus eliminating the need to empty and clean the tank since it only contains water. @@EDS offers better productivity by cutting cleaning time. @@.
