on the front as well as on the back. Front position is to be used if the product is used together with a special wall hook for wall storage. 3.3 Mounting of hose reel handle (only models with hose reel) 1.

Click the hose reel handle on to the trolley handle (no screws). 6 Nilfisk P 130.2 / P 150.2 / P 160.2 3.

4 Mounting of quick coupling 1. Screw the quick coupling tight on to the water inlet (2). Note: The inlet filter must always be fitted in the water inlet pipe to filter out sand, limestone and other impurities as these will damage the pump valves. EN 3.5 Mounting of high pressure hose Caution: Failure to fit the filter will invalidate the guarantee.

Attach the high pressure hose (4) to the spray handle (7). Detach the high pressure hose by pressing the pawl. 4 Operating your pressure washer 4.1 Connection of high pressure hose Machines without hose reel: Attach the high pressure hose (4) to the high pressure connection of the machine (3). Only max. 7 m additional extension hose can be added.
