C3300n

The ultimate desktop colour printer for business

Outstanding print quality

- Unique Pro Q2400 Multi-level technology and High Definition Toner combination brings class-leading print quality for professional, impressive looking documents.
- Photo Enhance provides photo-like quality on ordinary office paper.
- Auto Colour Balance ensures consistent results throughout the life of the printer.
- Low cost toner cartridges for lower running costs.

In-box help for easy in-house printing

- Toner plate manager software provides easy-to-use interface for a range of monochrome and media, including business cards and address labels – it even manages the printer settings automatically.
- Web Print simulates the printing of web-pages, adjusting text and images to fit on the page without cutting off information, so saving paper and hassle.
- Ask OKI online support help you get the most out of the C3300n, simply click a button on the Ask OKI tab inside your print driver and you will be taken to a print specific support area on the website that is pushed full of tips and printing advice.
