Manual abstract:

The heart of creative printing Oversized A3/A3/A4 Range of media handling Colour, mono Print 1 20+ users a a a a GISTER YOUR RE P OU CT DU RO WHE NY rin tin .u gsolutions.co /w a WARRANTY k rra nty YEAR ip . ok w ww High speed, high volume printer for high quality colour printing in the office The C9655 is the perfect addition to any business. This high performance, cost effective colour printer has the speed, volume and flexibility to handle all the day's demands with ease be it general office printing or in-house creative graphics work. @@With this outstanding versatility comes the utmost reliability. @@@@Four models are available, including duplex versions for easy double-sided printing including booklets and a top of the range model with additional paper trays for volume printing and easy changing of media. The C9655. The heart of creative printing. Handles multiple media.

Meets the day's demands Whatever the printing task, the C9655 has the capacity to handle it. Offering extreme flexibility in terms of paper size and weight, enabling creative in-house printing on a wide range of media. Print on A6 paper right up to oversized A3 sheets, or on banners up to 1200mm in length. Use heavy paper stock of up to 300gsm for booklet covers, packaging, point of sale and other print items. This extreme flexibility also extends to finishing, with a number of options available, including saddle-stitch, fold, staple and hole-punch to give documents that professional touch.

· Paper sizes from A6 to oversized A3 (328 x 453mm), plus 1200mm long banners · Print on stock from 64 to 300gsm · Easy to use bypass tray for trouble-free insertion of specialist media · Automatic two-sided printing on media up to 188gsm (optional on C9655n) · Optional paper trays increasing capacity up to 2,880 sheets · Optional finisher for automatic hole punching, folding, saddle stitching and booklet making Exceptional colour. High performance printing The C9655 produces perfect colour and print quality, every time. Excellent A4 print speeds of 36ppm colour and 40ppm mono will maximise the productivity of the workgroup, keeping the work flowing. The C9655 offers highly accurate colour results, incorporating Graphic Pro colour management which provides the tools to download colour profiles to the printer's Hard Disk Drive for specific colour matching. The unique combination of ProQ2400 Multi-level technology and High Definition toner gives a better level of detail, greater colour depth, reduced grain and a high gloss feel.

This means exceptional print results, each and every time. @@@@We feel responsible for conducting our business in an environmentally sound manner, contributing to conservation and activities within our local communities. ISTER YOU RP REG OU Simply Unique - 3 Year On-Site Warranty Our devices are manufactured to the highest standards of quality and CT DU RO rran ty rin ting sol .o u tions.c technology, which has been confirmed by independent tests.
