Maximum productivity. Minimum effort.
3-in-1 MFP for your small workgroup

The right move for your business.

If you are looking for a robust 3-in-1 product that will quickly deliver a significant return on your investment then the MB460 is the product for you. Ideal for individuals or small workgroups, the MB460 is an A4 black and white multifunction product with easy-to-use print, copy and scan functionality, meeting the daily demands of your office.

Ultimate dependability

The MB460 brings you real peace of mind. It has a truly robust design featuring ultra-reliable digital LED technology. With no moving parts there's nothing to wear out and hardly anything to go wrong.

- Robust, dependable design developed from more than 30 years of experience
- Digital LED print head guaranteed for a full five years
- Free, three-year parts and labour warranty extension available

Enhanced efficiency

The network-ready MB460 will enhance the productivity of your entire team, with class-leading performance at an affordable price.

Fast print and copy speeds, printing on both sides of the page, and an extendable paper supply deliver continuous efficiency to every small office or workgroup.

- First page appears in just 5.5 seconds and the rest at an impressive 28 pages per minute
- Automatic two-sided printing as standard
- 3,500 and 7,000 page toners
- Paper supply up to 781 sheets

Ease-of-use

With the MB460 you can get started the moment you take delivery, meaning that everyone in the office can get on with their printing, copying and scanning as quickly as they need to.

- Network Set Up enables fast and easy installation over the network
- Scan in mono and colour directly to FTP, E-mail, TWAIN, CIFS
- Embedded LDAP integrates your contact and email data from an existing directory server

Powerful utilities

The MB460 comes with a set of in-the-box software utilities to help you get even more value from these reliable multifunction products.

- Nuance PaperPort and OmniPage streamlines the electronic distribution of information, making document handling, file sharing and archiving easy
- PrintSuperVision provides easy and convenient remote device management for your IT administrator
- Print Control allows simple management of usage and costs

Make the right move for your business with the MB460
