MC351dn Specifications

Elevate your print, copy and scan needs to a new productive level

The MC351dn A4 desktop colour multifunction product (MFP) brings professional, high quality colour printing, scanning and copying right to the heart of your business.

The impressive print speeds, combined with an intuitive easy-to-use control panel, bring a new level of professional document output to busy workgroups or executives, in a reliable, compact and ergonomic device.

- **Enhanced document throughput and quality**
The MC351dn has been designed to perform, with fast print speeds, keeping office productivity to a maximum. With outstanding, consistent colour output and a high level of media flexibility you can now create compelling marketing material and business documents in-house.
- **Advanced digital LED technology** for sharper, clearer quality
- **Scanning/copying double-sided documents** is quick and easy using the 50-sheet RADF
- **Print speeds** of up to 24ppm and rapid first page to print of 8.5 seconds
- **Print2400** multi-level output quality up to 1200 x 600 dpi print resolution
- **Flexible media handling**: from A6 to 1200mm banners; card stock up to 220gsm

Outstanding features for improved ease-of-use
The MC351dn has many outstanding features to improve user experience by providing convenient and time saving functions.

- **Easy to use operator panel** with large graphical display
- **Print directly from** or scan to USB stick via front USB port for your convenience
- **Simple scanning** to email, network PC or USB, saves time
- **Ergonomic design**, saving space and bringing document handling closer to the workgroup

Providing energy savings across your business
The integration of several office devices into one MFP reduces energy consumption, as well as capital outlay and on-going costs. Unlike, built-in energy saving features will help cut your carbon footprint:

- **Eco mode** automatically adjusts energy consumption, saving costs and conserving resources
- **Deep Sleep mode** saves you money by reducing energy consumption to less than 1.2W
- **Duplex printing, scanning and copying** reduces paper and energy usage

Control and document management
The MC351dn comes with a set of in-the-box software utilities providing even more added value. These can help you control your print usage, user access rights, streamline your document handling and assist with file sharing or archiving.

- **Nuance PaperPort** converts hardcopy into digital content
- **Nuance OmniPage** converts documents into editable electronic files
- **Colour Access Policy Manager (CAPM)** software to control and monitor user access rights
- **PrintSuperVision** software lets you track usage and monitor your printers centrally
- **Print Control** allows simple management of usage and costs

Technology that you can rely upon
The MC351dn is built on tried and tested digital LED technology that has delivered reliable and high quality printing for over 20 years.

- **Durable components and robust design**
- **3-year on-site warranty** protects your investment
