MC560 Specifications

OKI
PRINTING SOLUTIONS

Delivering versatility and efficiency for the demanding workgroup

The MC560 is the ideal office support system for a small but busy workgroup. At 32 pages per minute (ppm) in mono and 20ppm in colour this truly multifunctional product will print, scan, copy and fax delivering exceptional quality with outstanding economies and efficiencies.

An extra paper tray (increasing the printer's paper handling to 930 pages), a cabinet for risky paper storage and additional memory, are optional accessories that can be added to the MC560 to suit your ever changing and growing business needs.

The MC560 includes a unique set of software designed to help users get the most of their product and investment. These advanced utilities come as standard in the box and deliver increased printing power and management control. For a complete list of utilities refer to the product specification table overleaf.
