PRINTING SOLUTIONS

Microline Dot Matrix Printers

ML320 Elite
ML321 Elite
9-Pin Dot Matrix Printer

A true representation of OKI Printing Solutions design philosophy and legendary build. The ML320/ML321 Elite narrow and wide carriage printers are suited to high speed, high volume data and word processing applications where speed is more important than letter quality. Reliability, ease-of-use and fast throughput make them ideal for customer service points in wholesale, retail and service environments.

Highlights:

- Versatile 40 column dot matrix printer
- OKI Printing Solutions unique, high durability 9-pin print head
- Up to 360 characters per second print speed
- Multi-part forms handling (original + 4 copies)
- Ideal for labels, listings and point of service applications
- Wide carriage ML321 (ideal for accounts applications) also available
