Important Information 1.

1 For your safety To prevent severe injury and loss of life/property, read this section carefully before using the unit to ensure proper and safe operation of your unit. 1. . Important Information 1.1.

1 WARNING Power and ground connection R Unplug this unit from power outlets if it emits smoke, an abnormal smell or makes unusual noise. These conditions can cause fire or electric shock. Confirm that smoke has stopped and contact an authorised service centre. R Use only the power source marked on the unit. If you are not sure of the type of power supplied to your home, consult your retailer/dealer or local power company.

R For safety purposes this unit is equipped with a grounded plug. If you do not have this type of outlet, please have one installed. Do not ignore this safety feature by tampering with the plug. R Do not place objects on the power cord. Install the unit where no one can step or trip on the cord. R Do not overload power outlets and extension cords. This can result in the risk of fire or electric shock. R Completely insert the AC adaptor/power plug into the power outlet. Failure to do so may cause electric shock and/or excessive heat resulting in a fire. R Regularly remove any dust, etc.

from the AC adaptor/power plug by pulling it from the power outlet, then wiping with a dry cloth. Accumulated dust may cause an insulation defect from moisture, etc. resulting in a fire. R Never touch the plug with wet hands. There is a danger of electric shock. Installation R Place the unit securely on a stable, level surface. Serious damage and/ or injury may result if the unit falls. @@R Use this unit in a well ventilated area. @@Operating safeguards R Turn the power OFF before cleaning. Do not use liquid or aerosol cleaners.

R Do not cover slots and openings on the unit. They are provided for ventilation and protection against overheating. @@R Never push any objects through slots in this unit. This may result in the risk of fire or electric shock. Never spill any liquid on the unit.

R To reduce the risk of electric shock, do not disassemble this unit. @@@@R Follow all warnings and instructions marked on this unit. @@This may cause a fire. @@@@Adjust only controls covered by the operating instructions. @@– If the unit has been dropped or physically damaged.

– If the unit exhibits a distinct change in performance. @@@@R Never turn the unit upside down or sideways when moving it. @@@@R Never touch uninsulated telephone wires or terminals unless the telephone line has been disconnected at the network interface (KX-MB1520/KX-MB1530 only). R Use caution when installing or modifying telephone lines (KX-MB1520/ KX-MB1530 only). R Do not position the unit in a location where it is unstable or subject to vibrations. Laser radiation CLASS 1 LASER PRODUCT R The printer of this unit utilises a laser. Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure. See the operating instructions for the Laser diodes properties. @@Direct eye exposure can cause eye damage. @@@@This is normal.

@@@@This is normal. Toner cartridge R Avoid ingestion, inhalation, eye or skin contact. @@@@– If skin contact occurs, wash thoroughly with soap and cold water, then air dry. Do not use hot water or hair dryer. – If eye contact occurs, flush thoroughly with water. – In all cases, seek medical treatment if adverse symptoms occur. Penalties may be applicable for incorrect disposal of this waste, in accordance with national legislation. For business users in the European Union If you wish to discard electrical and electronic equipment, please contact your dealer or supplier for further information. Information on Disposal in other Countries outside the European Union These symbols (A, B, C) are only valid in the European Union.
