A MSAVEN a MOFFN For your safety To prevent severe injury and loss of life/property, read this section carefully before using the product to ensure proper and safe operation of your product. WARNING Power connection R Completely insert the AC adaptor/power plug into the power outlet. Failure to do so may cause electric shock and/or excessive heat resulting in a fire. r Regularly remove any dust, etc. From the AC adaptor/power plug by pulling it from the power outlet, then wiping with a dry cloth. Accumulated dust may cause an insulation defect from moisture, etc. resulting in a fire. R Unplug the product from power outlets if it emits smoke, an abnormal smell, or makes an unusual noise. These conditions can cause fire or electric shock. @@@@USE ONLY rechargeable Ni-MH batteries AAA (R03) size.

R Do not mix old and new batteries. Pdf 4 2012/11/22 15:15:34 Installation R Do not open or mutilate the batteries. Released electrolyte from the batteries is corrosive and may cause burns or injury to the eyes or skin. The electrolyte is toxic and may be harmful if swallowed. R Exercise care when handling the batteries. Do not allow conductive materials such as rings, bracelets, or keys to touch the batteries, otherwise a short circuit may cause the batteries and/or the conductive material to overheat and cause burns. R Charge the batteries provided with or identified for use with this product only, in accordance with the instructions and limitations specified in this manual. R Only use a compatible base unit (or charger) to charge the batteries. Do not tamper with the base unit (or charger). Failure to follow these instructions may cause the batteries to swell or explode.

@@@For assistance, please visit <http://www.panasonic.com/help> for customers in the U.S. 2. @ @ 3. Use only the power cord and batteries indicated in this manual. Check with local codes for possible special disposal instructions.

@@Move away from the electrical appliances. @@Dispose of used batteries according to the instructions. @@R Do not use benzine, thinner, or any abrasive powder. @@@@ 316. @@@@This device complies with Part 15 of the FCC Rules.

@@Privacy of communications may not be ensured when using this phone. CAUTION: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this device. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: Reorient or relocate the receiving antenna.
