Instructions for use PANASONIC TX-40AS640E  
Instruction manual PANASONIC TX-40AS640E

The screenshot shows the Panasonic VIERA TV's operating instructions screen. At the top left, there are language selection buttons for English, Nederlands, and Română. The top right features the Panasonic logo and model numbers: TX-40AS640E, TX-48AS640E, and TX-55AS640E. The main title is 'Operating Instructions LCD Television' with a small TV icon. Below this is a large 'VIERA' logo. A section titled 'For more detailed instructions, refer to [eHELP] (Built-in Operating Instructions)' includes icons for a question mark and 'eHELP'. At the bottom left, there is a disclaimer: 'Thank you for purchasing this Panasonic product. Please read these instructions carefully before operating this product and retain them for future reference. The images shown in this manual are for illustrative purposes only. Please refer to Pan European Guarantee Card if you need to contact your local Panasonic dealer for assistance.' At the bottom right, there is a QR code with the code 'TQB0E2399P4' and the word 'English'.

**Manual abstract:**

Please read these instructions carefully before operating this product and retain them for future reference. The images shown in this manual are for illustrative purposes only. Please refer to Pan European Guarantee Card if you need to contact your local Panasonic dealer for assistance. 20 2 English Important Notice Notice for DVB / Data broadcasting / IPTV functions Y For the information of the trademarks, refer to [eHELP] (Support > Licence). Consult your local dealer for availability of DVB-T / T2 services in your area. Consult your cable service provider for availability of DVB-C services with this TV. Y This TV may not work correctly with the signal which does not meet the standards of DVB-T / T2 or DVB-C. Y Not all the features are available depending on the country, area, broadcaster, service provider and network environment. Y Not all CI modules work properly with this TV. Consult your service provider about the available CI module.

Y This TV may not work correctly with CI module that is not approved by the service provider. Y Additional fees may be charged depending on the service provider. Y The compatibility with future services is not guaranteed. Y Check the latest information on the available services at the following website.

(English only) <http://panasonic.com>.

Net/viera/support Panasonic does not guarantee operation and performance of peripheral devices made by other manufacturers; and we disclaim any liability or damage arising from operation and/or performance from usage of such other maker's peripheral devices. @@No license is granted or shall be implied for any other use. Additional information may be obtained from MPEG LA, LLC. @@@@ transport only in upright position. @@ This TV is designed to operate on AC 220-240 V, 50 / 60 Hz.

Y Insert the mains plug fully into the socket outlet. Y Ensure that the mains plug is easily accessible. Y Disconnect the mains plug when cleaning the TV. Y Do not touch the mains plug with wet hands. Y Do not damage the mains lead. □ Do not place a heavy object on the lead. □ Do not place the lead near a high temperature object. □ Do not pull on the lead. Hold onto the mains plug body when disconnecting the plug. □ Do not move the TV with the lead plugged into a socket outlet.

□ Do not twist the lead, bend it excessively or stretch it. Do not use a damaged mains plug or socket outlet. □ Ensure the TV does not crush the mains lead. Y Do not use any mains lead other than that provided with this TV. Y Take care Warning Y Do not remove covers and never modify the TV yourself as live parts are accessible when they are removed. There are no user serviceable parts inside. Y Do not expose the TV to rain or excessive moisture. This TV must not be exposed to dripping or splashing water and objects filled with liquid, such as vases, must not be placed on top of or above the TV. Y Do not insert foreign objects into the TV through the air vents. @@@@Y Do not apply strong force or impact to the display panel.

Y Do not place the TV on sloped or unstable surfaces, and ensure that the TV does not hang over the edge of the base. This TV is designed for table-top use. Y Do not expose the TV to direct sunlight and other sources of heat. Y Radio wave Warning Y Do not use the TV and Touch Pad Controller in any medical institutions or locations with medical equipment. Radio waves may interfere with the medical equipment and cause accidents due to the malfunction.

Y Do not use the TV and Touch Pad Controller near any automatic control equipment such as automatic doors or fire alarms. Radio waves may interfere with the automatic control equipment and cause accidents due to the malfunction. Y Keep the distance at least 22 cm from the TV and Touch Pad Controller when you have a cardiac pacemaker. Radio waves may interfere with the operation of the pacemaker. Y Do not disassemble or alter the TV and Touch Pad Controller in any way.

@@Keep these parts out of reach of young children. @@The small object could be swallowed by young children. @@ such networks may be listed as a result of searches. However, using them may be regarded as illegal access. @@@@4 GHz and 5 GHz signals when using the built-in wireless LAN.

When noises occur due to the static electricity, etc., the TV might stop operating for the protection of the devices. In this case, turn the TV off with Mains power On / Off switch, then turn it on again. Y Additional information for the wireless LAN and access point may be on the following website. (English only) <http://panasonic.com>.

Net/viera/support Y Pedestal Warning Y Do not disassemble or modify the pedestal. Caution Y Do not use any pedestal other than the one provided with this TV. Y Do not use the pedestal if it becomes warped or physically damaged. If this occurs, contact your nearest Panasonic dealer immediately. Y During setup, make sure that all screws are securely tightened. Y Ensure that the TV does not suffer any impact during installation of the pedestal. Y Ensure that children do not climb onto the pedestal. Y Install or remove the TV from the pedestal with at least two people. Y Install or remove the TV by the specified procedure.

To avoid malfunctions or slow response caused by radio wave interference, keep the TV and Touch Pad Controller away from the devices such as other wireless LAN devices, other Bluetooth devices, microwaves, mobile phones and the devices that use 2.

4 GHz signal. @@@@Take an appropriate break before continuing to view. @@@@Be careful not to hit the TV screen or other people unintentionally. @@Y Do not view 3D images from a distance shorter than recommended. @@@@Y Move the TV with at least two people.

@@@ irreversible damage can be caused. @@@@/That makes the distance shorter than the recommended values above. @@Y Replace only with the same or equivalent type. Y Do not mix old and new batteries. Y Do not mix different battery types (such as alkaline and manganese batteries).

Y Do not burn or break up batteries. Y Do not expose batteries to excessive heat such as sunshine, fire or the like. Make sure you dispose of batteries correctly. Declaration of Conformity (DoC) "Hereby, Panasonic Corporation declares that this TV is in compliance with the essential requirements and other relevant provisions of the Directive 1999/5/EC. □ If you want to get a copy of the original DoC of this TV, please visit the following website: <http://www.panasonic.com>.

@@@Take care not to throw them away unintentionally. @@@@ from the bracket. 2 Pull out the pedestal from the TV. @@@@Y Check the terminal type and cable plugs are correct when connecting. Y Keep the TV away from electronic equipment (video equipment, etc.
