

**Manual abstract:**

Please follow the instructions below to install your batteries properly. 1. Remove the battery cover. e-Reader Turning on or off: Press and hold [ ] until the Home screen appears or the e-Reader shuts down. Standby mode: Quick press [ ] for standby mode (the display will shut but the device will still be powered on - this will conserve battery time). Inserting the Micro SD card (not included): The e-Reader includes 2GB of internal memory. To expand the memory capacity, use Micro SD cards (up to 32GB) to save eBooks, audio, video and picture files. To install the Micro SD card into the e-Reader, follow the steps below: 1. Turn off the e-Reader. 2.

Insert the Micro SD card (metal contacts facing the front of the e-Reader as shown) into the card slot until it clicks and locks into place. 3. To remove the card, gently push it in until it pops out. Important Battery Precautions • Use only the type of battery specified in this user manual. • Batteries may present a risk of fire, explosion, or chemical burn if abused.

Do not try to charge a battery that is not intended to be recharged. • Do not dispose of the battery(ies) in a fire. They may explode. Check with local codes for disposal instructions. • Non-rechargeable batteries, such as alkaline batteries, may leak if left in your product for a long period of time.

• Make sure you replace the old, with all new batteries. • Contact the service center for help since the liquid may remain in the player. If your body or clothes had contact with the battery liquid, wash it off thoroughly with water. • Insert 4 (AA) batteries (not included). Be sure to match the polarity. 1. 7" color display 2. Headphone jack 4 (AA) Batteries Micro SD card Battery Cover User Manual Questions? Need some help? This manual will help you enjoy your new product 3. 4. 5.
