Manual abstract:

No need to spend your budget on bulky stand-alone devices. These user-friendly systems provide you with high speeds (16 ppm/20 ppm), reliability and superior office print quality. The AficioTM2020D even offers standard duplexing. @@And even with this wealth of functionalities, the AficioTM2016/2020/2020D remain very easy to operate and maintain: the productive office partner you have been looking for! Your Entire Workflow Taken Care of To reach the productivity levels you are looking for, a smooth-running document workflow is essential. The AficioTM2016/2020/2020D will put you one step ahead of the competition. Not only do you acquire a compact all-in-one device, but you will enjoy the benefits of top quality output, user-friendly operation and optimal network connectivity. Easy to Program & Use No complicated operating procedures for the AficioTM2016/2020/2020D.

@@@You do not waste time with continuous refills. The image on these pages is not a real photograph and slight differences in detail might appear. Improved Productivity With a first copy speed of 6.5 seconds and short warm-up time of only 15 seconds, waiting by the machine is history. Continuous speeds at 16/20 cpm are achieved, also when duplexing. Advanced Device Monitoring Via Web Image Monitor, both users and network administrators can monitor and check the status of networked peripherals through common web browsers. In addition, network administrators can configure devices and set user privileges. High-speed Faxing With a modem speed of 33.

6 Kbps and fast transmission speed of 3 seconds (2 seconds with JBIG), these systems deal swiftly with all fax traffic. 150 speed dials and quick dials are available for extra time saving. @@@@Via the LAN fax function, you can send fax messages directly from your own (networked) PC. This reduces the number of steps, saves time and ensures better output quality at the receiving end. Cost-saving Internet Faxing Using the Internet for long distance faxing has major advantages.

By sending fax messages to PCs in e-mail format, you reduce costs while enhancing your communication capabilities. Easy One-click Printing Ricoh's unique printer language RPCSTM stands for fast, easy and efficient printing. @@@@Via this function, scanned files can be sent to any e-mail address in the world. All data is sent over the Internet. For optimal convenience, frequently used addresses can be stored manually or automatically in the systems' memory. With RPCSTM's icon-based interface, any print job is only one click away. Fax Via the LAN fax function, you can send fax messages directly from your own (networked) PC. Facsimile Scanner Printer Using 'scan to e-mail' scanned files can be sent to any e-mail address in the world. Thanks to the logically organised panel, procedures are easy and operation is greatly facilitated.
