Manual abstract:

@@ Whether you need a basic walk-up copier or a full suite of multifunctional capabilities, these systems can be customised at your command. You obtain exactly the tools you require to reach your goals. @@@@ The AficioTMMP 2510/MP 3010 provide inventive answers to the challenges you face in the office. With advanced functionalities and excellent speeds to name but a few, you obtain world-class power in a small package. PC User Friendly Multi-Page Input

To copy or scan large jobs and documents up to A3 size in one run, the AficioTMMP 2510/MP 3010 boast a fast feeding 50-sheet ARDF. Books and magazines, on the other hand, can be copied straight from the platen glass. Fax 500 sheets 500 sheets The Finishing Touch To keep your document creation in-house and save time and costs, the AficioTMMP 2510/MP 3010 can be equipped with one out of two finishers for professional looking output. 2,000 sheets Continuous Operation Large print or copy jobs are easily taken care of by the systems' impressive maximum paper capacity of 3,100 sheets. Refills are down to an absolute minimum. As the systems alert you in case paper or toner run out, you keep a constant status overview of your network devices.

The image on these pages is not a real photograph and slight differences in detail might appear. il E-ma Efficient Business Faxing er Fold · save time and provide better output quality at the receiving end by sending fax messages directly from your own PC (LAN fax) · reduce the distribution of printed faxes by transmitting them via the local network or forwarding them to any e-mail address · register and maintain your fax/e-mail address book (LDAP) in the Hard Disk Drive (HDD) directly from the operation panel or through Web SmartDeviceMonitorTM/ Web Image Monitor Straightforward Operation The AficioTMMP 2510/MP 3010 stand for efficient document handling. @@@@ For optimum connectivity, Bluetooth, Wireless LAN and bi-directional IEEE 1284 are optionally available. 500 sheets 500 sheets Our Earth, Our Tomorrow Like all Ricoh products, the AficioTMMP 2510/MP 3010 reflect Ricoh's commitment to the environment with the usage of toxic free materials (prohibiting lead, chromium, cadmium, as well as PVC)*. Low energy toner production adds to their environment conscious design.

Significant energy savings are obtained thanks to advanced new power saving modes. * In compliance with EU directive on Restriction of Hazardous Substances (RoHS, effective from July 2006). Intelligent Information Processing How can you cut costs while improving your document handling? With developments in the field of communication and document management increasing day by day, you need a progressive solution.

@@@@@ A printer/scanner unit, a fax module, finishers, extra paper trays, software packages.. basically anything is possible. Prevent a huge e-mail inbox and enjoy the opportunity to download files at a later time: 'scan to URL' allows you, as receiver, to check the e-mail and decide whether and when to download the file. Efficient Document Distribution For a well-structured document workflow, distribution tools have become necessary. If you need to send digitised files, 'scan to e-mail' is available. Should you need to send large files, you can do so via 'scan to folder' and send up to 2 GB. @@@@ Should you choose the systems' Adobe® PostScript® 3TM option, you obtain PDF Direct Print, a handy tool to reduce network traffic and increase total productivity. As office products have turned into advanced network devices, security threats have become a major concern. The AficioTMMP 2510/MP 3010 offer Windows® authentication which allows a user with access to the regular network, to also access the MFP. @@@@ This unit ensures the hidden temporary data is overwritten with random data after completion of a job.

@@ You simply release them on the device at a convenient time. As a 'virtual mailbox', this function prevents mixed-up output and keeps your prints confidential.
