Meeting today's needs and tomorrow's requests

How can you speed up your workflow and make it more productive?
 The Aficio™ MP 2550/MP 2550B and Aficio™ MP 3350/MP 3350B offer constructive answers. They are fully customizable and offer a variety of new, exciting benefits including excellent speeds and duplication possibilities.

- Print, copy, scan and fax from one device.
- Excellent productivity at 25/33 pages per minute.
- Paper-saving duplex capability.

Impressive productivity
 As office demands increase, so does your need for a highly productive partner. The Aficio™ MP 2550/MP 2550B and Aficio™ MP 3350/MP 3350B help you work smarter and faster. They produce output at a rapid 25/33 pages per minute, with equal duplex speeds. Waiting time is further reduced with a fast 14-second* warm-up and a first copy speed of 4.5 seconds.

True multitasking
 Printing, copying, faxing or scanning, you can now do it all from one office device. Network connectivity is ample, so these devices can be smoothly integrated into your existing workflow. For the optimisation of your entire document handling process, efficient document management tools are available. Using advanced device monitoring, the status of networked peripherals can be monitored and checked easily through web browsers.

A wealth of customisation possibilities
 At Ricoh we design solutions to suit the way you work. The Aficio™ MP 2550/MP 2550B and Aficio™ MP 3350/MP 3350B can be customised to your exact requirements. Choose from various printer/scanner upgrade options* and build the system that perfectly meets your needs.

* RIP™ printer unit, Printer Enhance Unit and Scanner Enhance Unit.
