Manual abstract:

Personalise your interaction with the MFP by using downloadable Widgets. Doing everything with one device and saving time and costs have never been so easy. Productive: 28 to 50 pages per minute. Efficient: applications for personalised settings. Time-saving: (colour) scan and distribute in a single step. Professional: finishers, Super G3/IP fax, IPDS/Postscript®3™ options. Secure and flexible: data protection and handling of various media types. A wealth of possibilities NON-STOP PRINTING Need documents fast and in high quantities? With the MP 2851/3351/4001/5001 prints come out instantly due to short warm-up times and fast first output speeds. The products' large paper capacities of up to 4,400 sheets keep you going. Productivity is increased even more since you can reload empty trays while printing.

APP2ME READY The Aficio™MP 2851/3351/4001/5001 devices come pre-installed with Ricoh's App2Me software platform.

@@@@@@@@@@@Improve the data stream with optional IPDSTM. @@@@@@@@@@@@@@Our products have eco-friendly and money saving features such as fast duplex printing and copying, ultra low sleep mode and increased toner yield. Thus, paper, time and energy are saved while waste and costs are reduced. In addition, Ricoh products are Energy Star compliant.

This means less CO₂ is produced in providing the energy needed to run Ricoh devices. COPIER Copying process: Copy speed: Resolution: Warm-up time: First output speed: Memory: Paper input capacity: Paper output capacity: Paper size: Paper weight: Dimensions (W x D x H): Weight: Power source: Power consumption: Single laser beam scanning & electrophotographic printing 28/33/40/50 copies per minute 600 dpi 22 seconds 4.5/4.5/4.1/3.
