Simple solutions for complex tasks

Easy operation
With these special handles, the paper trays are very accessible and eBIs happen fast. Any jammed paper is easily removed from the simplified paper path. Even sophisticated features are straightforward to operate: the MP C2050 / MP C2550 have a user-friendly 6.5-inch colour touch screen.

Versatile printing
Enjoy our MPFI advanced printer features:

- Print and check samples for maximum efficiency.
- Lock prints and release them when a password is entered.
- Hold prints, to be picked up by one user at one moment.
- Store, or store and print jobs.
- Print PDFs directly.

True all-round solutions

Advanced connectivity
Workflows are increasingly managed digitally. The MP C2050 / MP C2550 scan to e-mail and folders, SD card and USB flash memory. In the interest of security, they can also send encrypted PDFs. If required, you can increase the standard networking capability. Choose from Wireless LAN, Bluetooth and other options.

Data security
Authentication and encryption features protect your confidential data. The MP C2050 / MP C2550 are compatible with optional security packages like HCO, Data Overwrite, Data Security for Copying, Card Authentication and Secure Print Release.
