### Power up your Office with the Latest Technologies

To go that extra mile you need smart solutions that efficiently handle your every day tasks. With the Aficio® MP C2500/MP C3000, you can get the job done on time, save time, increase your productivity, and by share information and optimize security. Share your business needs change, your multifunctional device simply grows with you.

#### Top Multifunctional Performers

Whether you are looking for a single copy/multicopy machine or full-blown multifunctioner with low per-copy costs, the Aficio MP C2500/MP C3000 can be customized to suit your specific needs. In fact, you can process all your documents using one compact multifunction device, cost-efficient and space-saving. The system comes up to a mere 48 seconds and you first task and while an x-copy. It's necessary. Colour prints and copies are on your desk (just as fast as black) and with documents of 30 pages per minute (5 ppm for the Aficio MP C2500, and 30 ppm for the Aficio MP C3000) your productivity is never compromised.

#### Efficient Distribution

Digitally capture, edit and distribute information to save time and costs. Instead of filing cabinet folders, you can easily:

- digitize documents and store them on the cloud or on-premise
- share a document by scanning it to the cloud or to a social network or a specific folder
- send networks content and prevent huge e-mail chains by printing on a mail combining a PDF address

Distributing scanned documents is easy, you can choose from the Aficio® Document Services, and then to go, you need address in the world or directly in a specific folder in the network.

#### Advanced Printing

The convenient documents you print should also be convenient. With the Aficio MP C2500/MP C3000 (MP C2500/MP C3000) they ensure that way, the system saves your documents: you review it with your printer & third party and during the day can also be used in the digital colour 3-D. You simply review them at a convenient time. When printing multiple sets, you can avoid repeat sets by first printing a sample set and cancelling if necessary before the entire process the remaining sets. Should you choose the optional Aficio® Productive 3™ colour, you obtain PDF-Direct Print, a handy tool to reduce network traffic and increase total productivity.

#### Safeguard Access & Information

Protect your business against possible security threats with the latest in advanced security features: data overwriting and multifunction copy protection:

- network access (authentication, WebSecure® authentication and colour usage restriction)
- prevention of incident logging (e.g. information leak, Data Overwrite Security List)
- watermark protection to rule out unauthorized copying.
