

**Manual abstract:**

- Avoid network overloads and prevent huge e-mail inboxes by sending an e-mail containing a URL address. Top multifunctional performers Whether you are looking for a digital copy/print/ scan solution or a full-blown multitasker with fax and finishing capabilities, the MP C2800/ MP C3300 can be customised to suit your specific needs. In fact, you can process all your documents using one compact multifunctional device: cost-efficient and space-saving! The system warms up in a mere 27 seconds, and your first black and white job is ready in 5.0 seconds\*. Colour prints and copies are on your desk just as fast as black and white documents: at 33 pages per minute (28 ppm for the MP C2800), your productivity is never compromised! \* Full colour: 8.0 seconds. Safeguard access & information Protect your business against possible security threats with the latest in authentication, temporary data overwriting and unauthorised copy prevention: - Advanced access limitation: Windows® authentication & colour usage restriction. - Prevention of industrial spying & information leaks: Data Overwrite Security Unit. - Watermark protection to rule out unauthorised copying. All rights reserved. @@@@ Add it to your business documents and enjoy the benefits right away. @@@@ No technical expertise is required! @@@@ High quality B/W and colour output at 28/33 ppm. Easy access & intuitive operation via the colour LCD panel. Advanced faxing and information distribution capabilities. Scan to USB function. Exceptional document handling and in-house finishing. Impress in colour Continuous operation With a maximum paper capacity of 4,400 sheets, replenishments are down to an absolute minimum. The system even switches to the next tray with the same paper when the one in use runs out. You can continue your work without interruptions.

Boost your business image with high-impact colour documents. Colour makes a lasting impression! On top of that, your documents become more attractive and readable. The MP C2800/MP C3300 make sure you obtain expert results with impeccable detail and sharp images. For special applications requiring thick paper such as menu cards and cover pages, paper of up to 256 g/m<sup>2</sup> can be handled via the bypass tray and paper trays. Everything is available to increase the effect of your business communication! 550 sheets 550 sheets Think green SR3050 550 sheets SR790 SR3000 Finishing experts Why resort to expensive outsourcing when you can create professionally finished documents in-house? The MP C2800/MP C3300 offer an entire range of possibilities to meet your needs: staple and collate with the 500-sheet and 1,000-sheet finisher or create attractive sales, training and presentation material with the systems' booklet finisher.
