All rights reserved. @.@So do we. @.@@.@@.@@.@@.@@.@@. Small footprint. · Attractive Total Cost of Ownership (TCO). · Outstanding ease of use. @@. All-in-one toner cartridges can be replaced singlehandedly. @@They deliver their first output in a mere 30 seconds. Whether in monochrome or colour, they print 20 pages per minute. The secret of their success? Their compact exterior hides a reliable tandem 4-drums engine. Protect documents and device against unauthorised use.

@@.@@.@@Print and scan at the same time, or scan while receiving fax messages for maximum efficiency. PC faxing and a system for photocopying ID cards are among the SP C231SF/SP C232SF's useful extras. We think green, do you? RICOH devices are designed to boost the cost-efficiency of your print workflow while respecting the environment. Short warm-up times result in frequent use of the energy saver mode. Combine this low energy cost with a paper-saving duplex capability. What is good for nature is also good for you. Digital distribution Speedy and paper-saving, the SP C231SF and SP C232SF live up to the digital age. @.@@.
