HD 515 High-End Sound experience

This headphone is a classic all-rounder and an affordable entry into the audiophile 500 series. The HD 515s are fitted with Sennheiser's innovative E.A.R. technology, plus special Duofol dia phragms that reduce unwanted resonances to an absolute minimum. Overall listening pleasure is combined with outstanding wearing comfort.

- Open, circumaural, dynamic, wired stereo headphones
- Ergonomic Acoustic Refinement (E.A.R.) enables ideal sound channelling for a new kind of listening experience
- State of the art, advanced Duofol dia phragms
- Highly optimized, field-strengthened neodymium ferrous magnet systems
- Outstanding wearing comfort for long listening sessions
- Longevity through exchangeable components (ear pads, cable, headband)
- Lightweight aluminium voice coils for high efficiency and excellent dynamics
- 2-year warranty
