Manual abstract:

E.D. @@And the unit is compact in design so it takes up less counter space a valuable commodity in today's retail and hospitality environments. THE NEW STANDARD IN INNOVATION AND PRICE/PERFORMANCE For years, Sharp has led the way in the electronic cash register industry with products that set the standard for innovation, price/performance and reliability. @@Everything about the new Sharp ER-A330 Electronic Cash Register has been designed and engineered around the needs of growing businesses. Sharp understands the importance of control, accuracy and information at the point of sale and what a difference these factors can make in improving store operations and customer service. EASY TO READ LARGER L.E.D. THE MORE INFORMATION YOU HAVE, THE MORE CONTROL YOU HAVE Ten (10) standard departments, expandable to 50, make it easy to track sales within a category and highlight which items are selling and which are not.

And paperless flash reports provide managers with instant sales/transaction data, so there is no need to wait for printed reports. When printed reports are necessary, the ER-A330 has a built-in printer which delivers high-quality output. A food stamp capability provides an audit trail for food stamps tendered.

@@@@@This not only eliminates errors, it speeds up the check-out process. As many as 750 PLUs are available on the ER-A330.

Auto keys, which provide one-touch recall of a series of key sequences, are easy to program as well, so functions can be A CASH REGISTER THAT CAN GROW WITH YOUR BUSINESS The ER-A330 Cash Register is also built for maximum reliability, even with heavy usage in mind. Sharp has also made it easy to customize, understanding that no two retail or hospitality establishments have the same exact needs or operational requirements. @@@@This report is used as the audit report for your business. @@@@@@@@@@@@@@@@@@This is extremely beneficial when determining successful items to be stocked.

The Transaction Report provides all related media accountability for the business day, which can justify collected monies for items sold.

@@@@@Business revenues are easily tracked by each day of the month. Flash Reports allow the store owner or manager to view a defined total in the ECR's display for quick, up-to-the-moment analysis of that day's business. Available Flash Reports include: · Net-3 (net sales plus tax) · Department (by selected departments) · Dept / Group (by selected department group number) · Hourly (by selected time) · Cash-in Drawer (cash total in drawer) 2 1 3 4 Department Group Report Individual Group Report PLU by Assoc.
