**Manual abstract:**

**FULL-COLOR LEDGER-SIZE WORKGROUP DOCUMENT SYSTEMS** Sharp's new MX-2640N/3140N/3640N color series document systems combine the simplicity of touch-screen menu navigation with robust multi-tasking workflow features that can help virtually any office accomplish more in less time. A large 10.1" (diagonally measured) high-resolution, tilting touch-screen display offers groundbreaking real-time image preview with intuitive flick-and-tap editing to help ensure your documents are produced accurately and without waste. This new series also offers many advanced features such as a fully customizable home screen, dynamic action menus that provide feature-specific guidance, and an available full-size retractable keyboard for easy data entry. Plus, with Pantone licensing, these models offer unprecedented levels of color fidelity – combined with true 1200 x 1200 dpi print resolution, they can help your business produce professional-looking color documents in-house with breathtaking image quality that is also economical. The new MX-2640N/3140N/3640N color series has been built on the latest Sharp OSA® development platform, making integration with network applications and cloud services easier than ever. @@@@In addition, a tilting display panel provides enhanced accessibility. A standard built-in full-size retractable keyboard makes data entry quick and easy. Full-size retractable keyboard simplifies data entry. Easily Check and Edit Your Original Document Save time and help reduce waste by correctly executing your copy or scan job the first time.

With Sharp's real-time scan preview and edit functions, you can quickly rotate or delete pages, insert blank sheets, remove artifacts, change the color mode, even check the staple position before executing your job. Dynamic action menus provide feature-specific guidance, so it is easy to determine your choices for each operation. @@@@Flexible Configurations for Today's Unique Office Environments This new series offers a flexible paper handling system that includes an available 500 + 2,000sheet tandem paper drawer. With rugged paper tray handles for easy access and available on-line paper capacity for up to 6,600 sheets, the machine is ready when you are. A standard 100-sheet reversing document feeder combined with automatic trayless duplexing, electronic sorting and integrated offset stacking, allow you to complete even large jobs in a snap.

Intuitive copy screen shows options on the left and menu guidance on the right. Easily edit documents in scan preview mode. Advanced Finishing Adds the Final Touch This series offers a choice of two high-performance finishers that can give your documents a professional look and feel. Choose from a compact inner finisher or floor-standing saddle-stitch finisher. Both finishers offer three-position stapling and an available 3-hole punch.

Available paper capacity stores up to 6,600 sheets. MX-3640N shown with saddle-stitch finisher. MX-3640N shown with compact inner finisher. **VERSATILE FUNCTIONALITY FOR OPTIMAL QUALITY AND RESULTS** Advanced technologies deliver outstanding output quality and flexible document distribution at your fingertips. Exceptional Print Quality with Professional Output With the MX-2640N/3140N/3640N color series, your business can produce brilliant, high-color documents, as well as razor-sharp B&W documents. @@@@For even more flexibility, add the optional XPS kit. @@@@Simply enter the first few characters and it automatically searches and displays a list of matching names. And with Sharpdesk® personal document management software and the available Sharp OSA Network Scanner Tool (NST), users can easily organize their scanned documents and Sharpdesk personal document software integrate them into everyday workflow. Innovative Document Filing System For Easy Access Sharp's easy-to-use Document Filing System provides a hard disk drive to store frequently used files like forms, templates and reports. With thumbnail preview mode, stored jobs can be located and retrieved quickly.

An advanced backup system and PIN-access security helps ensure your files are safe. For critical environments, an optional back-up hard disk drive is available. Advanced Energy Saving Features This new color series utilizes several energy efficient technologies to minimize power consumption and maximize energy savings. An LED exposure lamp reduces power significantly when compared to conventional exposure lamps. A customizable seven-day power management scheduler allows businesses to define the days and times when power will be turned on and turned off. Also, with Sharp's Auto Power Management function the MFP can be set to shut-off automatically based on usage trends. Sharp's Eco-Scan mode can shut off the fuser when scanning documents, previewing images, faxing and other operations. A state-of-the-art belt fusing system consumes less power, shortens warm-up time and helps eliminate roller marks sometimes caused by conventional fusing. State-of-the-art belt fusing system consumes less power and shortens warm-up time. With Sharp's advanced job handling, you can retain print jobs on the hard drive for reprinting at a later date.

FTP Desktop E-mail Fax Network Folder @ @ USB i-Fax i-fax Sharp's integrated network scanning offers one-touch document distribution to up to seven destinations. Sharp's Document Filing System with thumbnail preview makes it easy to locate and retrieve stored jobs. \*Some features require optional equipment. **GET MORE OUT OF NETWORK RESOURCES** Streamline your document workflow and enhance your productivity with Sharp OSA® Technology. Integrating With Network Applications and Cloud Services Has Never Been So Easy The MX-2640N/3140N/3640N color series offers powerful document workflow capabilities to help businesses leverage their network infrastructure, cloud-enabled services and more!\* While others are limited to a small circle of productivity, the Sharp OSA Development Platform allows businesses to leverage the power of their network applications, back-end systems, even cloud-enabled services, right from the touchscreen panel of this new series.
