POWERFUL PERFORMANCE, ENHANCED OPERABILITY, ENERGY EFFICIENCY

#### FULL-COLOR LEDGER-SIZE WORKGROUP DOCUMENT SYSTEMS

Sharp's new MX-2640N/3140N/3640N color series document systems combine the simplicity of touch-screen menu navigation with robust multi-tasking workflow features that can help virtually any office accomplish more in less time. A large 10.1" (diagonally measured) high-resolution, tilting touch-screen display offers groundbreaking real-time image preview with intuitive flick-and-tap editing to help ensure your documents are produced accurately and without waste. This new series also offers many advanced features such as a fully customizable home screen, dynamic action menus that provide feature-specific guidance, and an available full-size retractable keyboard for easy data entry. Plus, with Pantone licensing, these models offer unprecedented levels of color fidelity – combined with true 1200 x 1200 dpi print resolution, they can help your business produce professional-looking color documents in-house with breathtaking image quality that is also economical. The new MX-2640N/3140N/3640N color series has been built on the latest Sharp OSA<sup>®</sup> development platform, making integration with network applications and cloud services easier than ever. And with Sharp's industry-leading security platform with standard 256-bit data encryption and overwrite protection, you can rest assured that your intellectual property is well protected.

Advanced features plus multi-functional capability allow you to meet tomorrow's document needs today.

- Large 10.1" high resolution touch-screen display with tilt view
- Real-time image preview feature with flick, tap and slide navigation, and multi-touch pinch-and-zoom capability to shrink and enlarge images
- Fully customizable home screen feature enables users to add custom backgrounds and icons, change the display language and more
- New 300 - 2,000-sheet tandem paper drawer option expands maximum online paper capacity to 6,500 sheets

• Pantone<sup>®</sup> Licensing offers unprecedented levels of color fidelity to the PANTONE MATCHING SYSTEM<sup>™</sup>

• 1200 x 1200 dpi printing provides clear, crisp images even on jobs with fine detail

• Industry-leading ImageSEND<sup>™</sup> function scans both black and white and color documents at up to 50 images per minute to USB devices, network folders, email and more

• Network ready PCL<sup>®</sup>6 and true Adobe<sup>®</sup> PostScript<sup>®</sup> 3<sup>™</sup> printing systems with direct print function and available XPS option

• Easy to use Document Filing System with thumbnail view and image preview features for easy identification

• Supports the latest Sharp OSA development platform, enabling businesses to easily integrate with network applications and cloud services

• Flexible paper handling system feeds up to 80 lb cover through the paper trays and up to 110 lb cover through the bypass tray

• Super G3 fax option with intelligent inbound routing to multiple destinations

• Supports Sharp's award-winning security platform with standard 256-bit data encryption and up to 7 times overwrite protection

• Energy efficient belt fusing system offers low power consumption, fast warm up and enhanced print quality

\*Some features require optional equipment and/or software
