SHARP MX-C312

MFP PERFORMANCE ANYWHERE YOU NEED IT

POWERFUL PERFORMANCE IN A COMPACT HYBRID DESIGN

Sharp combines the **SIMPLICITY AND CONVENIENCE** of network printers with the **MULTI-TASKING PRODUCTIVITY** of color MFPs to achieve the best of both worlds. The MX-C312 is an exciting example of the SHARP® FRONTIER SERIES, bringing brilliant color output closer to your workgroup with a **HYBRID DESIGN** that has a small footprint to fit into environments others won't, yet big on functionality. The **LARGE 7" DIAGONAL COLOR TOUCH-SCREEN** simplifies operation by providing an intuitive user interface to keep ahead of today's fast-paced office document distribution needs. Incorporating next-generation **COMMON CONTROLLER ARCHITECTURE**, the Frontier Series provides uniform functionality and operability as found in Sharp's **AWARD-WINNING MFP PRODUCT LINE**. Engineered to help reduce operating costs and downtime, the MX-C312 is easier than ever to set up, monitor and maintain. This model offers modular expandability, remote-access capabilities and a **VALUE-ADDED APPROACH** to network and software integration. The latest in a long line of innovative products from today's fastest-growing name in office electronics, it also incorporates Sharp's **AWARD-WINNING Sharp USA® PLATFORM** and the industry-leading Sharp security suite to help protect data and control access.

innovative

- Vivid color and crisp black-and-white documents can be quickly and accurately produced at speeds up to 31 pages per minute.
- Powerful 800 MHz controller for true multi-tasking performance and increased multi-function productivity.
- Large 7" diagonal high resolution, wide-screen color touch display with an intuitive graphical user interface that makes advanced copying, printing, scanning and faxing functions easy to use.
- Sharp's easy to use Document Filing System provides up to 35 GB of hard drive space for fast document storage and retrieval, with thumbnail view and image preview modes that allow users to easily locate, identify and retrieve files.
- Optional Inner Finisher can be added without taking up much additional space. The space-efficient finisher not only provides exceptional productivity but also automates time-consuming tasks such as stapling, sorting and offset stacking.
- Direct USB Scanning and Printing provides a whole new level of convenience. It comes in handy for scanning documents directly to a USB memory device and is an easy way to print PDF documents.
- Sharp's powerful ImageSENDS™ technology securely scans documents to up to seven destinations, including USB devices, network folders, e-mail, fax machines and desktop PCs, at speeds up to 35 images per minute. You get one-touch distribution features that centralize document workflow helping save time and money.
- The Remote Front Panel feature allows administrators and help desk professionals access and control the device from a remote PC workstation. This feature can also be used to help facilitate key operator training.
- The optional Super G3 Fax Kit with intelligent inbound Fax Routing delivers lightning-fast faxing for busy workgroups.
- The optional Business Card Feeder can automatically feed and scan business cards and is capable of working with commercially available business card scanning software to automate contact database entry.
- Third-generation Sharp USA development platform enables users to access network applications directly from the device's touch-panel display, helping to reduce redundancy and streamline workflow.
