Manual abstract:

POWERFUL PERFORMANCE WITH EXCEPTIONAL IMAGE QUALITY intuitive * □ available Q1-2014. A The MX-M365N, MX-M465N and MX-M565N monochrome document systems offer powerful multitasking workflow features and exceptional image quality at speeds up to 56 pages-per-minute. Designed for busy workgroup environments, these models combine a versatile modular design with tablet-style menu navigation and powerful output capabilities that can help virtually any office accomplish more in less time. Key Features • Standard out-of-box wireless networking and true Adobe® PostScript® 3™ network printing □ offer enhanced compatibility with today's modern office environments • □ igh-capacity tandem paper drawer and productive inner finisher options provide high H functionality in a compact footprint • □ supports Cloud Portal Office, a new content management software service from Sharp for S storing and sharing scanned documents and other electronic files * The new MX-M365N, MX-M465N and MX-M565N monochrome document systems have been built on the Sharp OSA® development platform, making integration with network applications and cloud services easier than ever. And with Sharp's enhanced security platform, which includes standard 256-bit data encryption and overwrite protection, you can rest assured that your intellectual property is well protected. **DESIGNED TO DELIVER PERFORMANCE AND PRODUCTIVITY** An advanced design plus multi-functional capability allow you to meet tomorrow's document needs today. 5 • □ 00 + 2,000-sheet tandem paper drawer option expands maximum online paper capacity to 6,600 sheets F • □ flexible paper handling system feeds up to 80 lb. cover through the paper trays and up to 110 lb. cover through the bypass tray S • □ can both sides of a document in a single pass at up to 170 IPM with the standard 150-sheet duplexing document feeder L • □ arge 10.1" (diagonally measured) tablet-style touch-screen display offers image preview feature with flick, tap and slide navigation, and pinch-and-zoom capability **STANDARD WIRELESS NETWORKING TRUE ADOBE® POSTSCRIPT® PRINTING AVAILABLE TANDEM PAPER DRAWER AND COMPACT INNER FINISHER** • □ Fully customizable home screen enables users to add custom backgrounds and icons, change the display language and more • □ Available Compact PDF feature dramatically reduces the file size of scanned color documents, resulting in decreased network traffic and more efficient use of disk and cloud storage • □ Full-size, retractable keyboard allows quick and easy data entry 1 • □ 200 x 1200 dpi printing provides clear, crisp images even on jobs with fine detail • □ Network ready PCL® 6 and Adobe® PostScript® 3™ printing systems with direct print function S • □ tandard wireless networking feature can connect directly to your network or to mobile devices for convenient printing and scanning with Sharpdesk® Mobile App • □ Supports Sharp's enhanced security platform with standard 256-bit data encryption, up to 7 times overwrite protection, and convenient End-of-Lease feature **INNOVATIVE FEATURES TO ENHANCE YOUR WORKFLOW** A flexible design from paper handling to networking – the MX-M365N/M465N/M565N Advanced Series monochrome document systems will exceed your expectations.

Standard Wireless Networking for Today's Contemporary Office Environments The MX-M365N/M465N/M565N Advanced Series offers several secure methods to connect to your network environment. You can choose a traditional wired Ethernet connection or you can use the built-in wireless NIC to connect to a wireless network. For environments that use a wired connection but would like to also provide scanning and printing to mobile users, the Sharp wireless NIC can be configured in a Point-to-Point mode. This convenient feature enables users to scan or print directly to the machine using Sharpdesk Mobile, a free downloadable App available for most common mobile devices. * Professional Output with True Adobe PostScript 3 The MX-M365N/M465N/M565N Advanced Series offers standard True Adobe Postscript 3 printing, giving you the added assurance that your documents will print exactly as you expect. Custom print drivers provide extensive job control right from your desktop. Configurations for Virtually Any Size Office or Workgroup Sharp understands the importance of productivity, which is why the new Advanced Series monochrome document systems offer up to 6,600-sheet paper capacity and support media types up to 80 lb. cover (220 gsm) through the paper drawers and up to 110 lb. cover (300 gsm) through the bypass tray. @ @ @ @ @ @ @ @ You can also capture, index and archive both paper and electronic documents in a single repository. Most importantly, IT administrators can manage and control user access in order to safeguard company data (available Q1-2014). Work more efficiently and collaborate more easily with Cloud Portal Office. Built-in wireless NIC offers a point-to-point mode for convenient scanning and printing from mobile devices. Available paper capacity stores up to 6,600 sheets. *Go to www.sharpusa.com for a list of supported operating systems. Built-in Wireless **HIGH IMPACT VERSATILITY AND SCALABILITY** The MX-M365N/M465N/M565N Advanced Series monochrome document systems utilize a powerful multi-processor controller designed to quickly execute complex print and copy jobs at speeds up to 56 ppm. versatile design Easy-to-Use Smart Touch-Screen 10.1" high-resolution LCD offers advanced menu features including flick, tap, slide, pinch and zoom.

* Duplexing Single Pass Feeder (DSPF) Standard 150-sheet dual head document feeder scans both sides of a document in a single pass. Advanced Network Scanning Sharp's ImageSEND™ feature provides one-touch document distribution to multiple destinations. High Quality Printing 1200 x 1200 dpi resolution produces razor-sharp documents. True Adobe PostScript drivers offer extensive job control. Built-in Retractable Keyboard Full size QWERTY keyboard enables easy data entry. 100-Sheet Multi-Bypass Feeds paper from 5-1/2" x 8-1/2" to 12" x 18" and media up to 110 lb. cover (300 gsm). In-line Stapling Produce professional-looking corner-staple or edge-staple documents up to 50 pages. Enhanced Security Features 256-bit data encryption and data overwrite, as well as Sharp's convenient End-of-Lease feature. Saddle-Stitch Finisher Make high quality saddle-stitch booklets up to 60 pages. On-board Document Storage Sharp's easy-to-use document filing system enables users to store frequently used files. The MX-M565N shown with compact inner finisher. Advanced Finishing Sharp gives you a choice of four high-performance finishers to give your documents a professional look. Choose from a compact inner finisher to a high capacity, floorstanding saddle-stitch finisher. Flexible Paper Handling Offers a variety of paper feed options, including a 500 + 2,000-sheet tandem paper drawer for high productivity.

Large Capacity Cassette Available large capacity cassette adds an additional 3,500 sheets of letter paper for a total on-line capacity of 6,600 sheets with options. *Diagonally measured. GET MORE OUT OF NETWORK RESOURCES Streamline your document workflow and enhance productivity with Sharp OSA technology. Integrating with Network Applications and Cloud Services Has Never Been So Easy With standard Application Communication and External Accounting modules, the MX-M365N/M465N/M565N Advanced Series offers enhanced document workflow capabilities to help businesses leverage their network infrastructure, cloud-enabled services and more.* While others are limited to a small circle of productivity, the Sharp OSA development platform allows businesses to leverage the power of their network applications, back-end systems, even cloud-enabled services, right from the touch-screen panel of this new series.

Save Time, Increase Efficiency You'll save time and increase the efficiency of everyday tasks with Sharp OSA technology because it can be virtually seamless to the user. Any MX-M365N/M465N/M565N anywhere in the organization can display choices that were once only available on a desktop PC. With one-touch access to business applications via Sharp OSA integration, you can start and finish a document distribution task without worry. *Some features require optional equipment and/or software/services. S Customized Integration Sharp OSA technology also provides powerful customization. With the ability to personalize applications and processes specific to your business, Sharp OSA technology can help eliminate redundancy and streamline workflow, helping to save time and optimize productivity. The latest version of Sharp OSA technology can reach beyond the firewall, enabling cloud-based applications over the Internet. And since Sharp OSA technology utilizes industry-standard network protocols such as SOAP and XHTML, third party software developers can deliver customized solutions to your business faster than ever. The Convenience You Want with the Security You Need The MX-M365N/M465N/M565N Advanced Series with the Sharp OSA development platform is the logical choice for providing fast, flexible access to documents and applications..

.no matter where you are in the office. @@@@This helps to simplify cost management of imaging. The MX-M365N/M465N/M565N can store profiles for up to 1,000 users. @Ask your Authorized Sharp Dealer about the My Sharp website. @@@@*Not available at time of launch. HEIGHTENED SECURITY HELPS PROTECT YOUR BUSINESS To help protect your data, the MX-M365N/M465N/M565N offers several layers of standard security for Sharp consumables, including cartridges, bottles, toner collection containers and drum units.
