stepped on. Reminders Always follow the procedures in the "Disconnecting from a Computer" section to remove the StoreJet from your computer. Product Overview A B C Power Cable DC-IN LED Indicator Micro USB 3.0 Port 4 Connecting to a Computer The StoreJet 25D3 can be connected to your computer using either USB 2.0 or USB 3.0. To get the best performance results from your drive, we recommend using the USB 3.

0 interface (currently not supported on Mac computers). Micro USB 3.0 Connector USB 2.0 / 3.0 Connector USB 3.0 Cable StoreJet 25D3 Micro USB port USB 2.0 Port USB 3.0 Port 1. Plug the micro USB end (1) of the USB cable into the StoreJet 25D3. 2.

Plug the rectangular end (2) of the USB cable into an available USB 2.0 or USB 3.0 port on your desktop or notebook computer. 3. If necessary, plug in the USB Power Cable.

Connecting the USB Power Cable NOTE: On some older computers, the power supplied by the USB port might not meet the 5V DC requirement. If you have power-related problems, please be sure to use the included USB Power Cable. (1) 1. 2. 3.

4. Unplug the USB 3.0 Cable from your computer. (2) Connect the round-shaped end (1) of the USB Power Cable to the DC IN jack on the StoreJet 25 Plug the rectangular end (2) into any available USB port (USB 2.0 or 3.0) on your desktop computer, notebook or netbook. Reconnect the USB 3.0 Cable. 5 4. When the StoreJet 25 is successfully connected to a computer, its LED will light up (USB2.

0 and USB3.0 have different colors of illumination to indicate connection type). In Windows, a new Local Disk drive with a newly-assigned drive letter will appear, and a Removable Hardware icon will appear on the Windows System Tray. The StoreJet 25's internal hard drive comes pre-formatted to FAT32, which is compatible with most computer systems, including Windows, Mac, Linux, and more. · Computers running Windows and Mac OS will automatically detect and install the StoreJet 25D3. @@@@The drive name on your Mac computer may differ 5. @@@@Select the Hardware icon on the system tray.

2. The Safely Remove Hardware pop-up window will appear. Select it to continue.

3. @@@@Formatting the disk will erase all of the data on your StoreJet 25.

@@@3. @4. Unplug all other USB storage devices from your computer.

@@@6. The program will automatically detect the StoreJet 25 drive. 7. Press "Start". 8.

A confirmation window will appear. Press OK to begin formatting the drive. 10 9. The format process may take a few minutes. @@@@3. @4. Unplug all other USB storage devices from your computer. This is to prevent accidental format of a different USB drive. 5. @The User Account Control window will appear.

Select "Allow" to I cannot copy large files to the StoreJet 25 16 1. Is there enough available disk space? 2. Is the file larger than 4GB? @@However, the FAT32 file system does not support large files that exceed 4GB in size. If you plan to store large files that are larger than 4GB, you will need to convert the drive to a different file system such as NTFS. Please see the "Formatting the Hard Drive" section of this manual for instructions on how to re-format the StoreJet 25. I'm having problems with the StoreJet 25 on my Mac® If you previously formatted your StoreJet in Windows , it is most likely formatted with the Windows ® NTFS file system, which may not be 100% compatible with Mac OS. To store and backup data on ® your Mac please follow the instructions on formatting to convert the drive to Mac OS file system. If you plan to regularly use the drive with both Windows and Mac computers, we recommend formatting the drive to the FAT32 file system (the StoreJet comes pre-formatted with FAT32 from the factory). Keep in mind that formatting the drive will erase all existing data on the drive. Note: To keep existing data, you will need to use a Windows or Mac computer that can detect the StoreJet drive to make a backup copy of all essential files.

® I cannot detect the StoreJet 25 in Linux® If you previously formatted the StoreJet 25 a Windows or Mac computer, it is most likely formatted with a file system that is not compatible with Linux. To solve this problem, please follow the instructions on formatting the StoreJet 25 in Linux. However, please be aware that formatting the drive will erase all existing data on the drive. Note: To keep existing data, you will need to use a Windows or Mac computer that can detect the StoreJet drive to make a backup copy of all essential files. 17 Specifications Size (L x W x H) Weight Storage Media Power Supply Max. Transfer Speed Operating Temperature Certificates Warranty 129.90mm x 82.07mm x 17.3mm 191g 2.5-inch SATA Hard Disk Drive 5V DC supplied from the USB port(s) 5Gbits per second 5 (41) to 55 (131) CE, FCC, BSMI 3 Years 18 Transcend Limited Warranty "Above and Beyond" is the standard we set ourselves for customer service at Transcend.

We consistently position ourselves to be significantly above the industry norm, which is all part of our commitment to Customer Satisfaction. Please do not break or remove the warranty sticker on your Transcend products, as this will void your product warranty. All Transcend information, Inc. (Transcend) products are warranted and tested to be free from defects in material and workmanship and to conform to the published specifications. During the warranty period should your Transcend StoreJet 25 fail under normal use in the recommended environment due to improper workmanship or materials, Transcend will repair the product or replace it with a comparable one. This warranty is subject to the conditions and limitations set forth herein. Duration of Warranty: The Transcend StoreJet 25 is covered by this warranty for a period of three (3) years from the date of purchase. Proof of purchase including the date of purchase is required to collect on the warranty. Transcend will inspect the product and decide whether to repair or replace it. Transcend reserves the right to provide a functional equivalent product, or a refurbished replacement product.

Limitations: This warranty does not apply to product failure caused by accidents, abuse, mishandling, improper installation, alteration, acts of nature, improper usage, or problems with electrical power. In addition, opening or tampering with the product casing, or any physical damage, abuse or alteration to the product's surface, including all warranty or quality stickers, product serial or electronic numbers will also void the product warranty. Transcend is not responsible for recovering any data lost due to the failure of a hard drive device. Transcend's StoreJet 25 must be used with devices that conform to the recommended industry standards. @@@@Disclaimer: The foregoing limited warranty is exclusive. There are no other warranties, including any implied warranty of merchantability or fitness for a particular purpose. This warranty is not affected in any part by Transcend providing technical support or advice. Online Registration: To expedite the warranty service, please register your Transcend Product within 30 days of purchase. Register online at www.transcend.com.tw/register
