@@@ With its shock-resistant design, huge storage capacity and real-world transfer speeds up to 3X faster than USB 2.0 (in USB 3.0 mode), the compact StoreJet 25H3 is ideal for carrying your files, folders, documents, photos, music and videos. In addition, the StoreJet 25 comes with very useful software* that can increase your mobile productivity. This User's Manual is designed to help you get the most from your new device. Please read it in detail before using the StoreJet 25. Note: 1. The SSJ25H3 comes bundled with Transcend Elite, which enables the StoreJet's One Touch auto-backup button (see the Elite Software User's Manual for details). 2. The StoreJet Format Utility only works in Windows--Please see the "Formatting the Hard Drive" section of this manual for more information.

3. To use the Mac OSX Time Machine function, please format the StoreJet drive to HFS+ first -- (see "Formatting the Hard Drive Mac OS") 1 Package Contents The StoreJet 25 package includes the following items: StoreJet® 25H3 USB 3.0 Cable Quick Start Guide Warranty Card 2 Features SuperSpeed USB 3.0 compliant and backwards compatible with USB 2.0 Durable anti-shock silicone outer shell Advanced internal hard drive suspension system Connection bandwidth up to 5Gbits per second Extra-large storage capacity Sleek ultra portable design Easy Plug and Play operation no drivers required USB powered no external adapter necessary Power saving sleep mode One Touch Auto-Backup button Includes Transcend Elite™ backup and security software LED power / data transfer activity indicator System Requirements Desktop or notebook computer with a working USB port.

One of following Operating Systems: Windows XP Windows Vista Windows 7 Linux Kernel 2.6.31 or later Mac OS X 10.4 or later (only USB 2.0 currently supported) 3 Safety Precautions These usage and safety guidelines are IMPORTANT! Please follow them carefully.

General Use Carefully unpack the contents of the StoreJet 25 package. During operation, avoid exposing your StoreJet 25 to extreme temperatures above 55, or below 5. Do not drop your StoreJet 25. Do not allow your StoreJet 25 to come in contact with water or any other liquids. Do not use a damp/wet cloth to wipe or clean the exterior case. o o o Do not store your StoreJet 25 in any of the following environments: Direct sunlight Next to an air conditioner, electric heater or other heat sources In a closed car that is in direct sunlight In an area with strong magnetic fields or excessive vibration · If your Windows computer will not boot while StoreJet 25 is connected, please disconnect the StoreJet 25 to your computer first and connect the StoreJet 25 after starting Windows. Otherwise, refer to your computer's manual and change the BIOS settings to instruct the computer to boot from a different device. Backing up Data · Transcend does NOT take any responsibility for data loss, or damage during operation. If you decide to store data on your StoreJet 25 we strongly advise that you regularly backup the data to a computer, or other storage medium. To ensure Super-Speed USB 3.

0 data transfer rates when using your StoreJet 25, please make sure that your computer has the relevant drivers and hardware to support USB 3.0. If you are unsure about how to check this, please consult the user's manual of your computer, motherboard, or USB 3.0 interface card for USB 3.0 driver information. ·

Transporting . . . Power · The SJ25H3 gets its power directly from your computer's USB port. However, the power supplied by the USB ports on some older computers does not meet the stable 5V DC power requirements of the SH25H3. If your StoreJet does not function properly upon connecting it to your computer, please plug BOTH ENDS of the USB 3.0 Y-cable into your computer. Do not pack the StoreJet 25 into luggage without proper padded support.

Other items in your luggage may damage the drive during travel if it does not have proper protection. Avoid squeezing or compressing the StoreJet 25. Do not place objects on top of your StoreJet 25. 4 Both ends of the USB 3.0 Y-cable should be connected to provide ample power to the SH25H3 · Use only the USB 3.

0 cable that came with the StoreJet 25 to connect it to a computer, and always ensure that the cable you are using is in good condition. NEVER use a cable that is frayed or damaged. Ensure nothing is resting on the USB cable and that the cable is not located where it can be tripped over or stepped on. ·

Reminders Always follow the procedures in the "Disconnecting from a Computer" section to remove the StoreJet from your computer. 5 Product Overview A B Micro USB 3.

0 Port One Touch Auto-backup Button 6 Connecting to a Computer The StoreJet 25H3 can be connected to your computer using either USB 2.0 or USB 3.0. To get the best performance results from your drive, we recommend using the USB 3.0 interface (currently not supported on Mac computers). Power Connector Micro USB 3.0 Connector USB 2.0 / 3.0 Connector USB 3.0 Cable StoreJet 25H3 Micro USB port USB 2.

0 Port USB 3.0 Port 1. Plug the micro USB end (1) of the USB cable into the StoreJet 25H3. 2. Plug BOTH large ends (2) and (3) of the USB cable into an available USB 2.0 or USB 3.0 port on your desktop or notebook computer. NOTE: Always plug both large ends of the Y-cable into your computer.

@@@The drive name on your Mac computer may differ 4. @@@Select the Hardware icon on the system tray.

2. The Safely Remove Hardware pop-up window will appear. Select it to continue. 3. @@@@Formatting the disk will erase all of the data on your StoreJet 25.

@@@3. @@4. Unplug all other USB storage devices from your computer. This is to prevent accidental format of a different USB drive. 5.

@@6. The program will automatically detect the StoreJet 25 drive. 7. Press "Start". 12 8. A confirmation window will appear. Press OK to begin formatting the drive. 9. The format process may take a few minutes. @@@@3.

Plug the StoreJet 25 into an available USB port on your Windows 7/Vista computer. 4. Unplug all other USB storage devices from your computer. This is to prevent 13 accidental format of a different USB drive. 5. Right-click "StoreJetFormatter.exe" and select "Run as Administrator.

"ailable disk space? 2. Is the file larger than 4GB? If so, please see below: 19 The StoreJet 25 default file system is FAT32, which allows it to be recognized on most types of computers, game consoles and media playback devices. However, the FAT32 file system does not support large files that exceed 4GB in size. If you plan to store large files that are larger than 4GB, you will need to convert the drive to a different file system such as NTFS. Please see the "Formatting the Hard Drive" section of this manual for instructions on how to re-format the StoreJet 25. I'm having problems with the StoreJet 25 on my Mac® If you previously formatted your StoreJet in Windows , it is most likely formatted with the Windows ® NTFS file system, which may not be 100% compatible with Mac OS. To store and backup data on ® your Mac please follow the instructions on formatting to convert the drive to Mac OS file system. If you plan to regularly use the drive with both Windows and Mac computers, we recommend formatting the drive to the FAT32 file system (the StoreJet comes pre-formatted with FAT32 from the factory).

Keep in mind that formatting the drive will erase all existing data on the drive. Note: To keep existing data, you will need to use a Windows or Mac computer that can detect the StoreJet drive to make a backup copy of all essential files. ® I cannot detect the StoreJet 25 in Linux® If you previously formatted the StoreJet 25 a Windows or Mac computer, it is most likely formatted with a file system that is not compatible with Linux. To solve this problem, please follow the instructions on formatting the StoreJet 25 in Linux. However, please be aware that formatting the drive will erase all existing data on the drive.

Note: To keep existing data, you will need to use a Windows or Mac computer that can detect the StoreJet drive to make a backup copy of all essential files.

20 Specifications Size (L x W x H) 130.8mm × 80.8mm × 21.7mm (1TB) 130.8mm × 80.8mm × 19mm (500GB, 640GB, 750GB) 256g (1TB) 216g (500GB, 640GB, 750GB) 2.5-inch SATA Hard Disk Drive 5V DC supplied from the USB port(s) USB 3.0 : Up to 5Gb/s Transfer Speed Operating Temperature Certificates Warranty USB 2.0 : Up to 480Mb/s 5 (41) to 55 (131) CE, FCC, BSMI 3 Years Weight Storage Media Power Supply 21 Recycling & Environmental Considerations Recycling the Product (WEEE): Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

When you see the crossed-out wheel bin symbol attached to a product, it means the product is covered by the European Directive 2002/96/EC: Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products. The correct disposal of your old product helps prevent potential negative consequences on the environment and human health. Battery Disposal: Your product contains a built-in rechargeable battery covered by the European Directive 2006/66/EC, which cannot be disposed of with normal household waste. Please inform yourself about the local rules on separate collection of batteries. The correct disposal of batteries helps prevent potentially negative consequences on the environment and human health. For products with non-exchangeable built in batteries: The removal of (or the attempt to remove) the battery invalidates the warranty. This procedure is only to be performed at the end of the product's life. 22 Three-year Limited Warranty This product is covered by a Three-year Limited Warranty. Should your product fail under normal use within three years from the original purchase date, Transcend will provide warranty service pursuant to the terms of the Transcend Warranty Policy.

Proof of the original purchase date is required for warranty service. @@@@The decision made by Transcend shall be final and binding upon you. @@@@In addition, damage or alteration of warranty, quality or authenticity stickers, and/or product serial or electronic numbers, unauthorized repair or modification, or any physical damage to the product or evidence of opening or tampering with the product casing will also void this Warranty. This Warranty shall not apply to transferees of Transcend products and/or anyone who stands to profit from this Warranty without Transcend's prior written authorization.

This Warranty only applies to the product itself, and excludes integrated LCD panels, rechargeable batteries, and all product accessories (such as card adapters, cables, earphones, power adapters, and remote controls).

Transcend Warranty Policy Please visit www.transcend.com.tw/warranty to view the Transcend Warranty Policy. By using the product, you agree that you accept the terms of the Transcend Warranty Policy, which may be amended from time to time.

Online registration To expedite warranty service, please access www.transcend.com.tw/register to register your Transcend product within 30 days of the purchase date.
