large end of the cable into an available USB port on your desktop, or notebook computer. \*On some older computers, the power supplied by the USB port is below the required 5V DC power. In this instance, please connect the spare large connector on the provided USB Y-cable to a second USB port on the computer. This will provide the additional power necessary to run the drive. Figure 3: Connecting to a Computer 7 3. When the StoreJet 25 is successfully connected to a computer, the StoreJet's Power LED will light up, a "Transcend" disk drive with a newly-assigned drive letter will appear in the My Computer window, and a Removable Hardware icon will appear on the Windows System Tray. The StoreJet 25's internal hard drive comes pre-formatted to FAT32.

· Linux users may have to configure the StoreJet 25 manually. To do this, first create a directory for the StoreJet 25 (Example: mkdir /mnt/storejet). Then, mount the StoreJet 25 (Example: mount -t msdos /dev/sda1 /mnt/Storejet) 8 Figure 4: (D:) and (G:) above are example drive letters; the letter in your "My Computer" window may differ 9 Note: "New Volume" is an example drive. The drive name on your Mac computer may differ 4.

Once connected, you can use the StoreJet 25 as an external hard drive to transfer data to and from your computer. 1. Select the Removable Hardware icon on the system tray. 2. The Safely Remove Hardware pop-up window will appear. Select it to continue. Figure 5: Safely Remove Hardware 3. Formatting the disk will erase all of the data on your StoreJet 25. 4. Unplug all other USB storage devices from your computer. This is to prevent accidental format of a different USB drive.

5. A confirmation window will appear. Press OK to begin formatting the drive. 9.

The format process may take a few minutes. 4. Unplug all other USB storage devices from your computer. 2. Ensure that the USB port is working properly. Is there enough available disk space? Is the file larger than 4GB? Please see the "Formatting the Hard Drive" section of this manual for instructions on how to re-format the StoreJet 25. I'm having problems with the StoreJet 25 on my Mac® If you previously formatted your StoreJet in Windows, it is most likely formatted with the Windows NTFS file system, which may not be 100% compatible with Mac OS. To store and backup data on your Mac please follow the instructions on formatting to convert the drive to Mac OS file system. If you plan to regularly use the drive with both Windows and Mac computers, we recommend formatting the drive to the FAT32 file system (the StoreJet comes pre-formatted with FAT32 from the factory).

Keep in mind that formatting the drive will erase all existing data on the drive. Note: To keep existing data, you will need to use a Windows or Mac computer that can detect the StoreJet drive to make a backup copy of all essential files. I cannot detect the StoreJet 25 in Linux® If you previously formatted the StoreJet 25 a Windows or Mac computer, it is most likely formatted with a file system that is not compatible with Linux. To solve this problem, please follow the instructions on formatting the StoreJet 25 in Linux. However, please be aware that formatting the drive will erase all existing data on the drive. Note: To keep existing data, you will need to use a Windows or Mac computer that can detect the StoreJet drive to make a backup copy of all essential files. 21 StoreJet® 25M2 Specifications Dimensions (L x W x H) Weight Storage Media Power Supply Transfer Speed Operating Temperature Certificates Warranty 126.25 mm x 82.4 mm x 20.4 mm 197g 2.

When you see the crossed-out wheel bin symbol attached to a product, it means the product is covered by the European Directive 2002/96/EC: Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products. The correct disposal of your old product helps prevent potential negative consequences on the environment and human health. Battery Disposal: Your product contains a built-in rechargeable battery covered by the European Directive 2006/66/EC, which cannot be disposed of with normal household waste.

Please inform yourself about the local rules on separate collection of batteries. The correct disposal of batteries helps prevent potentially negative consequences on the environment and human health. For products with non-exchangeable built in batteries: The removal of (or the attempt to remove) the battery invalidates the warranty. This procedure is only to be performed at the end of the product's life. 23 Transcend Limited Warranty "Above and Beyond" is the standard we set ourselves for customer service at Transcend.

We consistently position ourselves to be significantly above the industry norm, which is all part of our commitment to Customer Satisfaction. Please do not break or remove the warranty sticker on your Transcend products, as this will void your product warranty. All Transcend information, Inc. (Transcend) products are warranted and tested to be free from defects in material and workmanship and to conform to the published specifications. During the warranty period should your Transcend StoreJet 25 fail under normal use in the recommended environment due to improper workmanship or materials, Transcend will repair the product or replace it with a comparable one. This warranty is subject to the conditions and limitations set forth herein. Duration of Warranty: The Transcend StoreJet 25 is covered by this warranty for a period of three (3) years from the date of purchase. Proof of purchase including the date of purchase is required to collect on the warranty. Transcend will inspect the product and decide whether to repair or replace it. Transcend reserves the right to provide a functional equivalent product, or a refurbished replacement product.

Limitations: This warranty does not apply to product failure caused by accidents, abuse, mishandling, improper installation, alteration, acts of nature, improper usage, or problems with electrical power. In addition, opening or tampering with the product casing, or any physical damage, abuse or alteration to the product's surface, including all warranty or quality stickers, product serial or electronic numbers will also void the product warranty. Transcend is not responsible for recovering any data lost due to the failure of a hard drive device. This limitation does not apply to the extent that it is illegal or unenforceable under applicable law. Disclaimer: The foregoing limited warranty is exclusive. There are no other warranties, including any implied warranty of merchantability or fitness for a particular purpose. This warranty is not affected in any part by Transcend providing technical support or advice. Online Registration: To expedite the warranty service, please register your Transcend Product within 30 days of purchase. Register online at [www.transcend.com.tw/register](http://www.transcend.com.tw/register) The specifications mentioned above are subject to change without notice. Transcend Information, Inc.
