StoreJet 25 hard drive enclosure only works with 2.

5" SATA Hard Disk Drives. Installing a Hard Drive If you purchased a Transcend StoreJet 25 hard drive enclosure that does not have an SATA hard disk drive already installed, please read this section for installation instructions. If a hard drive is already installed, you can skip to the "Connecting to a Computer" section. 1. Use a small Phillips screwdriver to remove the case screw 2.

Hold the case firmly between your palms and slide in opposite directions to remove the cover. 3. Place the hard drive (face up) into the case, with its SATA connectors facing the circuit board. 4. Gently push the hard drive onto the circuit board while making sure the SATA connectors are correctly aligned.

Do NOT connect the hard drive at an angle. 7 5. Reattach the front cover and slide it back into place 6. Reattach the case screw. 8 Connecting to a Computer If you want to use the StoreJet 25 as an external hard drive to upload/download data to and from your computer, you will need to connect it to a USB port on the computer using the provided USB Y-cable. Figure 2: Mini USB to Standard-A USB cable (USB Y-cable) 1. Plug the small end of the USB Y-cable into the Mini USB port on the StoreJet 25. 2. Plug the large end of the cable into an available USB port on your desktop, or notebook computer. \*On some older computers, the power supplied by the USB port is below the required 5V DC power.

@@@ Select the Hardware icon on the system tray. 2. The Safely Remove Hardware pop-up window will appear. Select it to continue. Figure 5: Safely Remove Hardware 3. @@@@ Formatting the disk will erase all of the data on your StoreJet 25. @@@@ 3. @@4. Unplug all other USB storage devices from your computer. This is to prevent accidental format of a different USB drive.

<http://yourpdfguides.com/dref/3700646>

5. @@@@A confirmation window will appear. Press OK to begin formatting the drive. 9.

The format process may take a few minutes. @Click 25. @@@@4. Is your StoreJet 25 connected to a Mac® keyboard? @@5. Is the USB port enabled? If not, refer to the user's manual of your computer (or motherboard) to enable it.

My computer does not recognize the StoreJet 25 1. A single USB port may not provide enough power for the StoreJet 25 to function. Make sure you plug both large ends of the USB cable directly into your computer's USB ports. 2. Avoid connecting the StoreJet 25 through a USB HUB. Figure 20: Plug both USB connectors directly to your computer The StoreJet 25 does not Power-ON Check the following: 1. Ensure that the StoreJet 25 is properly connected to the USB port(s) on your computer. 20 2. Ensure that the USB port is working properly. If not, try using an alternate USB port.

I cannot detect the StoreJet 25 on my Mac If you installed a drive into the StoreJet 25P that was previously used in a Windows computer, it is ® most likely formatted with NTFS, which is not compatible with Mac OS. To store and backup data ® ® on your Mac please follow the instructions on formatting the StoreJet 25 on a Mac to convert the drive to Mac's HFS+ format. If you plan to regularly use the drive with both Windows and Mac computers, we recommend formatting the drive to the FAT32 file system. Keep in mind that formatting the drive will erase all existing data on the drive. ® I cannot detect the StoreJet 25 in Linux If you installed a drive into the StoreJet 25P that was previously used in a Windows or Mac computer, you may need to reformat the drive in order to use it with the Linux operating system. Please follow the instructions on formatting the StoreJet 25 in Linux. Remember that formatting the drive will erase all existing data on the drive. ® ® 21 StoreJet 25P Specifications Size (L x W x H) Weight (with hard drive) Storage Media Power Supply Max.

We consistently position ourselves to be significantly above the industry norm, which is all part of our commitment to Customer Satisfaction. Please do not break or remove the warranty sticker on your Transcend products, as this will void your product warranty.

All Transcend information, Inc. (Transcend) products are warranted and tested to be free from defects in material and workmanship and to conform to the published specifications. During the warranty period should your Transcend StoreJet 25 fail under normal use in the recommended environment due to improper workmanship or materials, Transcend will repair the product or replace it with a comparable one. This warranty is subject to the conditions and limitations set forth herein. Duration of Warranty: The Transcend StoreJet 25 is covered by this warranty for a period of three (3) years from the date of purchase.

Proof of purchase including the date of purchase is required to collect on the warranty. Transcend will inspect the product and decide whether to repair or replace it. Transcend reserves the right to provide a functional equivalent product, or a refurbished replacement product. Limitations: This warranty does not apply to product failure caused by accidents, abuse, mishandling, improper installation, alteration, acts of nature, improper usage, or problems with electrical power. In addition, opening or tampering with the product casing, or any physical damage, abuse or alteration to the product's surface, including all warranty or quality stickers, product serial or electronic numbers will also void the product warranty. Transcend is not responsible for recovering any data lost due to the failure of a hard drive device. Transcend's StoreJet 25 must be used with devices that conform to the recommended industry standards.

@@@@@@Disclaimer: The foregoing limited warranty is exclusive. There are no other warranties, including any implied warranty of merchantability or fitness for a particular purpose. This warranty is not affected in any part by Transcend providing technical support or advice.

Online Registration: To expedite the warranty service, please register your Transcend Product within 30 days of purchase.
