.....23 Introduction Congratulations on purchasing Transcend's StoreJet™ 25P. This lightweight, ultra-portable, high-speed USB storage device is the perfect data management system for uploading, downloading, storing and transferring your vital data and information. With its huge storage capacity and fast 480Mbps USB 2.0 data transfer rates, the compact StoreJet 25 is ideal for carrying your files, folders, documents, photos, music and videos to and from desktop or notebook computers.

In addition, the StoreJet 25 comes with very useful software* that can increase your mobile productivity. This User's Manual is designed to help you get the most from your new device, please read both in detail before using the StoreJet 25. *Note: The StoreJet elite software only works in Windows - please see the Software User's Manual for details Package Contents The StoreJet 25 package includes the following items: StoreJet 25P Travel Pouch 1 Mini USB to 2 Standard-A USB cable (USB Y cable) 1 Quick Start Guide 2 Features Racing-inspired lightweight slim design with checkered front panel Protective soft travel pouch Slide-open case for easy hard drive installation and removal High-speed USB 2.0 compliant and backwards compatible with USB 1.1 Easy Plug and Play operation no drivers required Completely USB powered.

@@@@@Do not drop your StoreJet 25. @Do not use a damp/wet cloth to wipe or clean the exterior case. Do not store your StoreJet 25 in any of the following environments: o o o Direct sunlight Next to an air conditioner, electric heater or other heat sources In a closed car that is in direct sunlight In an area with strong magnetic fields or excessive vibration Backing Up Data · Transcend does NOT take any responsibility for data loss or damage during operation. If you decide to store data on your StoreJet 25 we strongly advise that you regularly backup the data to a computer, or other storage medium. To ensure High-Speed USB 2.

0 data transfer rates when using your StoreJet 25 with a computer, please check that the computer has the relevant USB drivers. If you are unsure about how to check this, please consult the computer or motherboard User's Manual for USB driver information. · Transporting · Do not pack your StoreJet 25 into luggage without the proper padded support. Other items in the luggage may damage your StoreJet 25 if it does not have the proper protection. Avoid squeezing your StoreJet 25 (to prevent damage to the internal HDD). Avoid placing objects on top of your StoreJet 25 (to prevent compression damage). · Power · The StoreJet 25 is powered directly via a computer USB port. However, the power supplied by the USB port on some older computers is below the 5V

DC required to power the StoreJet 25. In this instance, please connect the spare large connector of the provided USB Y cable to a second USB port on the computer, this will provide the additional power necessary to run the drive. 4 The spare USB connector can provide additional power for the StoreJet 25 when needed - Please use the Mini USB to USB A-Type cable that came with the StoreJet 25 to connect it to a computer, and always ensure that the cable you are using is in good condition.

NEVER use a cable that is frayed or damaged. Ensure nothing is resting on the USB cable and that the cable is not located where it can be tripped over or stepped on. - Reminders Always follow the procedures in the "Disconnecting from a Computer" section to remove the StoreJet from your computer. 5 Product Overview Figure 1: StoreJet 25P Case Screw Mini USB Port 6 Installing a Hard Drive The StoreJet 25 hard drive enclosure only works with 2.5" SATA Hard

Disk Drives. Installing a Hard Drive If you purchased a Transcend StoreJet 25 hard drive enclosure that does not have an SATA hard disk drive already installed, please read this section for installation instructions. If a hard drive is already installed, you can skip to the "Connecting to a Computer" section. 1. Use a small Phillips screwdriver to remove the case screw 2. Hold the case firmly between your palms and slide in opposite directions to remove the cover. 3. Place the hard drive (face up) into the case, with its SATA connectors facing the circuit board. 4. Gently push the hard drive onto the circuit board while making sure the SATA connectors are correctly aligned. Do NOT connect the hard drive at an angle.

7 5. Reattach the front cover and slide it back into place 6. Reattach the case screw. 8 Connecting to a Computer If you want to use the StoreJet 25 as an external hard drive to upload/download data to and from your computer, you will need to connect it to a USB port on the computer using the provided USB Y-cable. Figure 2: Mini USB to Standard-A USB cable (USB Y-cable) 1.

Plug the small end of the USB Y-cable into the Mini USB port on the StoreJet 25. 2. Plug the large end of the cable into an available USB port on your desktop, or notebook computer. *On some older computers, the power supplied by the USB port is below the required 5V DC power. In this instance, please connect the spare large connector on the provided USB Y-cable to a second USB port on the computer. This will provide the additional power necessary to run the drive. Figure 3: Connecting to a Computer 9 3. When the StoreJet 25 is successfully connected to a computer, the StoreJet's Power LED will light up, a new Local Disk drive with a newly-assigned drive letter will appear in the My Computer window, and a Removable Hardware icon will appear on the Windows System Tray. The StoreJet 25's internal hard drive comes pre-formatted for FAT32. Figure 4: *F: is an example drive letter, the letter in your "My Computer" window may differ 4.

@@@ Select the Hardware icon on the system tray. 2. The Safely Remove Hardware pop-up window will appear. Select it to continue. Figure 5: Safely Remove Hardware 3. @@@@ Formatting the disk will erase all of the data on your StoreJet 25. @@@@ 3. @@@@ 4. Unplug all other USB storage devices from your computer. This is to prevent accidental format of a different USB drive. 5. @@@@ 6. @@@@ A confirmation window will appear. Press OK to begin formatting the drive. 9. The format process may take a few minutes.

@@@Download the StoreJet Format Utility from Transcend's online Download Center at <http://www.transcendusa.com/Support/DLCenter/index.asp> (the software can Is your StoreJet 25 connected to a Mac keyboard? @@5.

Is the USB port enabled? @@@@2. @@@@Ensure that the USB port is working properly. If not, try using an alternate USB port. I cannot detect the StoreJet 25 on my Mac® If you installed a drive into the StoreJet 25P that was previously used in a Windows 2000, XP, or ® Vista™ computer, it is most likely formatted with NTFS, which is not compatible with Mac OS. To ® store and backup data on your Mac please follow the instructions on formatting the StoreJet 25 on ® a Mac to convert the drive to Mac's HFS+ format. If you plan to regularly use the drive with both Windows and Mac computers, we recommend formatting the drive to the FAT32 file system. Keep in mind that formatting the drive will erase all existing data on the drive. ® I cannot detect the StoreJet 25 in Linux® If you installed a drive into the StoreJet 25P that was previously used in a Windows 2000, XP, ® Vista™, or Mac computer, you may need to reformat the drive in order to use it with the Linux operating system. Please follow the instructions on formatting the StoreJet 25 in Linux. Remember that formatting the drive will erase all existing data on the drive.

We consistently position ourselves to be significantly above the industry norm, which is all part of our commitment to Customer Satisfaction. Please do not break or remove the warranty sticker on your Transcend products, as this will void your product warranty. All Transcend information, Inc. (Transcend) products are warranted and tested to be free from defects in material and workmanship and to conform to the published specifications.

During the warranty period should your Transcend StoreJet 25 fail under normal use in the recommended environment due to improper workmanship or materials, Transcend will repair the product or replace it with a comparable one. This warranty is subject to the conditions and limitations set forth herein.

Duration of Warranty: The Transcend StoreJet 25 is covered by this warranty for a period of two (2) years from the date of purchase. Proof of purchase including the date of purchase is required to collect on the warranty. Transcend will inspect the product and decide whether to repair or replace it.

Transcend reserves the right to provide a functional equivalent product, or a refurbished replacement product. Limitations: This warranty does not apply to product failure caused by accidents, abuse, mishandling, improper installation, alteration, acts of nature, improper usage, or problems with electrical power.

In addition, opening or tampering with the product casing, or any physical damage, abuse or alteration to the product's surface, including all warranty or quality stickers, product serial or electronic numbers will also void the product warranty. Transcend is not responsible for recovering any data lost due to the failure of a hard drive device. Transcend's StoreJet 25 must be used with devices that conform to the recommended industry standards.

@@@Disclaimer: The foregoing limited warranty is exclusive. There are no other warranties, including any implied warranty of merchantability or fitness for a particular purpose. This warranty is not affected in any part by Transcend providing technical support or advice. Online Registration: To expedite the warranty service, please register your Transcend Product within 30 days of purchase.
