One of following Operating Systems (OS): Windows® 2000 Windows® XP Windows Vista™ Mac™ OS 9.0, or later Linux™ Kernel 2.4, or later 2 Safety Precautions These usage and safety guidelines are IMPORTANT! Please follow them carefully. Please ensure that you connect the USB cable to the StoreJet 25 and your computer correctly (small end à StoreJet 25, large end à PC) General Use Carefully unpack the contents of the StoreJet 25 package.

During operation, avoid exposing your StoreJet 25 to extreme temperatures above 55, or below 5. Do not drop your StoreJet 25. Do not allow your StoreJet 25 to come in contact with water or any other liquids. Do not use a damp/wet cloth to wipe or clean the exterior case. Do not store your StoreJet 25 in any of the following environments: o o o Direct sunlight Next to an air conditioner, electric heater or other heat sources In a closed car that is in direct sunlight In an area with strong magnetic fields or excessive vibration Backing Up Data · Transcend does NOT take any responsibility for data loss, or damage during operation. If you decide to store data on your StoreJet 25 we strongly advise that you regularly backup the data to a computer, or other storage medium. To ensure High-Speed USB 2.0 data transfer rates when using your StoreJet 25 with a computer, please check that the computer has the relevant USB drivers. If you are unsure about how to check this, please consult the computer or motherboard User's Manual for USB driver information. · Transporting · Do not pack your StoreJet 25 into luggage without the proper padded support.

Other items in the luggage may damage your StoreJet 25 if it does not have the proper protection. Avoid squeezing your StoreJet 25 (to prevent damage to the internal HDD). Avoid placing objects onto your StoreJet 25 (to prevent compression damage). · Power · The StoreJet 25 is powered directly via a computer USB port. However, the power supplied by the USB port on some older computers is below the 5V DC required to power the StoreJet 25. In this instance, please connect the spare large connector of the provided USB Y cable to a second USB port on the computer, this will provide the additional power necessary to run the drive. 3 The extra USB connector provides additional power for the StoreJet 25 · Please use the Mini USB to USB A-Type cable that came with the StoreJet 25 to connect it to a computer, and always ensure that the cable you are using is in good condition. NEVER use a cable that is frayed or damaged.

Ensure nothing is resting on the USB cable and that the cable is not located where it can be tripped over or stepped on. · Reminders Always follow the procedures in the "Disconnecting from a Computer" section to remove the StoreJet from your computer.

We consistently position ourselves to be significantly above the industry norm, which is all part of our commitment to Customer Satisfaction. Please do not break or remove the warranty sticker on your Transcend products, as this will void your product warranty. All Transcend information, Inc. (Transcend) products are warranted and tested to be free from defects in material and workmanship and to conform to the published specifications. During the warranty period should your Transcend StoreJet 25 fail under normal use in the recommended environment due to improper workmanship or materials, Transcend will repair the product or replace it with a comparable one. This warranty is subject to the conditions and limitations set forth herein. Duration of Warranty: The Transcend StoreJet 25 is covered by this warranty for a period of two (2) years from the date of purchase. Proof of purchase including the date of purchase is required to collect on the warranty. Transcend will inspect the product and decide whether to repair or replace it.

Transcend reserves the right to provide a functional equivalent product, or a refurbished replacement product. Limitations: This warranty does not apply to product failure caused by accidents, abuse, mishandling, improper installation, alteration, acts of nature, improper usage, or problems with electrical power.

In addition, opening or tampering with the product casing, or any physical damage, abuse or alteration to the product's surface, including all warranty or quality stickers, product serial or electronic numbers will also void the product warranty. Transcend is not responsible for recovering any data lost due to the failure of a hard drive device. Transcend's StoreJet 25 must be used with devices that conform to the recommended industry standards.
