Manual abstract:

To help fulfill them, VTech® created the Infant Learning® series of toys. These unique interactive learning toys directly respond to what children do naturally play! Using innovative technology, these toys react to baby's interactions, making each play experience fun and unique as they learn age-appropriate concepts like first words, numbers, shapes, colors and music. More importantly, VTech®'s Infant Learning toys develop baby's mental and physical abilities by inspiring, engaging and teaching. At VTech®, we know that a child has the ability to do great things. That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow! Sincerely, Your Friends at VTech® To learn more about Infant Learning and other VTech® toys, visit www.vtechkids.com
