72700.indd 1 2008-4-9 20:37:37 Dear Parent, At VTech®, we know how important the first day school is for your child. To help prepare preschoolers for this important event, VTech® has developed the Preschool Learning™ series interactive toys. Preschool Learning™ features fun characters and inviting school themes that use technology to capture a child's attention and teach important preschool skills like spelling, counting and the alphabet. These vital skills are taught in a way that's both fun and highly engaging to maintain a child's interest. Children will also be introduced to fun school subjects such as art class, music class and even recess! With Preschool Learning™, learning is fun from day one! At VTech®, we know that a child has the ability to do great things. That's why all our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow! Sincerely, Julia Fitzgerald Vice President, Marketing VTech Electronics, NA To learn more about the Preschool Learning™ and other VTech® toys, visit www.vtechkids.com
