Manual abstract:

We also know that your kids feel the same way. With that in mind, we developed MobiGoTM, a revolutionary way to make learning fun with touch! MobiGoTM is the next generation of learning. Kids can control how they play, and develop the skills of using touch applications. As kids tap, flick, spin, and drag their way through exciting learning games, they'll experience the same technology and fun as parents do with their touch-screen devices. When playing with MobiGoTM, kids can look at, listen to and touch the screen wherever they go to discover a world of fun, while developing knowledge of numbers, letters, spelling, and music which we know is important to you. Learning on the go is now easier than ever with MobiGoTM. At VTech®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play. Sincerely, Your friends at VTech® To learn more about MobiGoTM and other VTech® toys, visit www.vtechkids.com

INTRODUCTION Vulkanus returns to Earth to exact his revenge once and for all by using a slew of powerful alien mining tech to strip-mine the Earth of all its most precious natural resources. He will destroy the world from the inside out, leaving the planet a shell of its former self, unless you and Ben Tennyson can stop him! **GETTING STARTED INTRODUCTION / GETTING STARTED** Insert the Cartridge Make sure the unit is turned off. Insert the MobiGoTM cartridge with the label side facing up, and push it until it clicks into place. @@@@However, only one user profile can be stored at a time. @@To select your user profile, touch your name on the profile screen.

@@However, there are also a few important hard keys that you'll need to use from time to time. The Hard Keys Directional Pad Use this to control the characters in some games. Exit Button During a game, press this button to exit the game, or press it within a menu to go back to the previous screen. Help Button Press this button when you need help in a game. QWERTY Keyboard GETTING STARTED Slide the screen up to reveal the keyboard.

Use it to enter your name in the user profile or to give the answers in some letter-related games. The Touch Screen The Main Menu When a cartridge is plugged in, the main menu will appear, showing all of the available games plus the Options icon. Touch a game to select it. Options Select Options from the main menu to turn the background music on or off. **ACTIVITIES** New Game / Continue Game If you exit a game before you've finished, the next time you enter the game you'll be asked if you want to continue. Start the game from the beginning by choosing New Game or start from where you left off by choosing Continue Game. Note: The Continue Game option is only available in longer games where the player has to pass through multiple checkpoints to make it to the end. New Game Continue Game Start the game from the beginning. Start the game from the last place you played before exiting the game. Choose Easy or Difficult level before each game.

Find the Alien Base Ben must sneak toward Vulkanus' base to try and find the entrance, but the path is filled with obstacles! Help Ben find the Alien Base. Curriculum: Logic **ACTIVITIES** Level Enter the Alien Base of Operations Ben reaches the alien base and suspects that the entrance is at the top of the cliff, so he transforms into Spidermonkey to climb up and investigate. You should watch out for falling stones and mining buckets on the cliff. Help Spidermonkey jump on the correct boards to get to the top! Curriculum: Skip Counting Enter the Control Center Ben enters the control center, but Pickaxe Aliens and security robots spot him! Ben transforms into AmpFibian to battle his way through the control center and reach Vulkanus' Lair. **ACTIVITIES** Help Ben crack the codes on the locked doors to make his way to Vulkanus' Lair! Curriculum: Spelling, QWERTY Keyboard Find the Mining Machine Ben finds the tunnel that connects to the mining machine. But it is protected with an electric field. Ben needs to transform to Big Chill to pass through the tunnel. Watch out for the energy beams! Activate Big Chill's intangibility to pass through! When Big Chill arrives at the security door, help him to complete the other part of the shape on the energy barrier to melt the door! Curriculum: Geometry Shut Down the Mining Machine Ben passes through the tunnel and into Vulkanus' lair, where a massive alien tech mining device is mining the Earth's most valuable resources. You must destroy it before it reaches full power! Curriculum: Math **ACTIVITIES** If you succeed, you'll face the ultimate battle -trying to defeat Vulkanus himself. @@Achieve new high scores to earn special rewards. @@Never use solvents or abrasives. Keep it out of direct sunlight and away from direct sources of heat. @@Avoid dropping it. NEVER try to dismantle it. Always keep MobiGoTM away from water.
