Manual abstract:

To help fulfill them, VTech® created the Infant Learning, series of toys. These unique interactive learning toys directly respond to what children do naturally - play! @@@@That's why all of our electronic learning products are uniquely designed to develop a child's mind and allow them to learn to the best of their ability. We thank you for trusting VTech® with the important job of helping your child learn and grow! Sincerely, Your Friends at VTech® To learn more about Infant Learning, and other VTech® toys, visit www.vtechkids.com INTRODUCTION Thank you for purchasing the VTech® SmartVille™ Alphabet Train Station™ learning toy! The VTech® SmartVille™ Alphabet Train Station™ is an electronic playset for toddlers 12 months and up. Go on an amazing learning journey with the animals. Insert the animals and role-play pieces into the hot spots to introduce fun phrases, sounds and more. The alphabet train track identifies letter names, letter sounds and related objects when the buttons are pressed. Turn the clock hand for an early lesson in time concepts. The light-up screen rewards toddlers with fun animations to reinforce learning.
